

**Division of Mental Health and Addiction Services
Services for Substance Use Prevention Passaic County
Date of Final Award – December 20, 2022**

Name of Program: Services for Substance Use Prevention Passaic County

Purpose:

This Request for Proposal (RFP) was issued by the New Jersey Department of Human Services, Division of Mental Health and Addiction Services (DMHAS) for substance use prevention services in Passaic County for two prevention priorities: 1. Prescription Drug Misuse and 2. Illegal Substances. This RFP is funded through the Substance Abuse and Mental Health Services Administration (SAMHSA) Substance Abuse Prevention and Treatment (SAPT) Block Grant. Prescription drug misuse prevention services will be funded in the amount of \$100,300 annually and illegal substance abuse prevention services will be funded in the amount of \$101,000 annually. Passaic County has been assigned a funding allocation from the total funds available to the State of New Jersey, based on its relative need. The funding allocation is based on the presence and intensity of social indicators, past 30-day use rates, treatment admission rates, as well as need and risk factors within the county. Bidders are required to utilize evidence-based programs developed for use with individuals and families. The guidelines and requirements specified in this RFP were developed by DMHAS in accordance with and support of the DMHAS Substance Abuse Prevention Strategic Plan. DMHAS made one award for each specified priority in the total amount of \$201,300.
