**TAKE NOTICE** that the New Jersey Department of Human Services, Division of Medical Assistance and Health Services (DMAHS) together with the Division of Developmental Disabilities (DDD), intends to seek approval from the United States Department of Health and Human Services (HHS), Centers for Medicare and Medicaid Services (CMS), for a Section 1115 Waiver Amendment to the New Jersey Comprehensive Waiver (NJCW) Demonstration in order to implement changes to the Supports Program.

If approved by CMS, this waiver amendment would amend the Special Terms and Conditions of the Waiver to create two new eligibility groups for the Supports Program and allow individuals in the Supports Program who are eligible for and in need of Private Duty Nursing services to access those services through Managed Long Term Services and Supports program (MLTSS).

The Budget Neutrality calculation is being prepared for these amendments.
