BUDGET INSTRUCTIONS FOR ATTACHMENT G-1

Budget Information Summary

The budget information summary gives the Department of Human Services (DHS) information regarding the planned expenditure of funds for the programs and services being proposed in response to a request for proposal (RFP). **It is necessary that all information be completed on the budget forms. Failure to do so may negatively impact the evaluation of the proposal.** Additional copies of the budget forms may be copied and attached as needed to ensure complete and accurate information. If you have questions regarding the completion of the budget forms, contact the person listed in the RFP for technical assistance. Review of the Department's Contract Reimbursement Manual will also be helpful if questions arise.

Directions - Budget Information Summary

1. All identifying information must be provided in its entirety - information not completed may negatively impact the review of the proposal.
2. Indicate the date of the proposal and the page number as part of the total budget information, i.e., Page 1 of 10.
3. Because the contract information summary requires a list of all Contracts now in effect with DHS, please list all current DHS Contracts by contracting division, the contract number, the name of the programs funded, services rendered and the current reimbursable ceiling (total funding amount) for each program.

Definitions

Program - that separation of units with a single identifiable individual name within the provider agency that may provide the same or different types of services for the client population. Example - ABC, Inc. has a day care center and two group homes, each having a name - ABC Day Care Center, the ABC Group Home, and CBA Group Home. Each would be listed as a program within the agency ABC, Inc.

Service - the need, which can be measured for monitoring purposes, for which the client is being included in the proposal.

BUDGET INSTRUCTIONS FOR ATTACHMENT G-2

Directions - Budget Expense Summary

1. Complete the identifying information at the top of the page. It is important that all information be completed in full.
2. The budget expense summary summarizes the expected expenditures by budget category, by program(s) as specified in the proposal. Please list all anticipated expenditures required to meet the needs of the proposal for services by the categories indicated on the form. Indicate the total for each category and then break out the total by program, listing the names of the programs in the column headings provided next to the column for total cost. Parenthesis means that the amount will be deducted where indicated.
3. List the anticipated level of service (Total Units of Service) for each program and the description of the unit to be used for measurement of service.
4. Indicate all other than the Department of Human Services funding sources for the programs in the proposal, the total amount and the total broken down by program.

Definitions

General and Administrative Costs (indirect costs) - represent costs incurred for common or joint objectives which are not readily assignable as a direct cost.

Unallowable Costs - those costs which are not reimbursable in a Contract with DHS as specified in the DHS Contract Reimbursement Manual, Section 4.7.

Units of Service - the breakdown of the services used as a standard of measurement, e.g., hours, trips, meals.

BUDGET INSTRUCTIONS FOR ATTACHMENT G-3

Directions - Personnel Detail

(Make additional copies of the detail chart, as needed, to ensure inclusion of all personnel data.)

1. Complete the identifying information at the top of the page.
2. Personnel detail requests a listing of all personnel involved in providing the services being proposed, including the percentage of time spent on each program. Please list each person and his or her position title, the total salary allotted to this proposal, the hours per week assigned to each program and any unallowable or general and administrative costs involved for each person.
2. Also indicate any vacant titles that will be filled to meet the obligations of this proposal.

BUDGET INSTRUCTIONS FOR ATTACHMENT G-4

Directions - Budget Category Detail

1. Ensure that all identifying information is completed, including the date and page number.
2. The budget category detail is intended to show which method was used to allocate the expenses to the various categories of the proposal. List the categories as indicated on the Budget Expense Summary A through G and I.
3. Indicate the basis for allocation and the total funding for each category. Then break out the total by program and indicate any unallowable and/or general and administrative costs.

Definitions

Cost Allocation - the distribution base used to allocate items or groupings of indirect costs in proportion to the relative benefit derived for the program within the proposal. (Example - a building used by several programs of which only one is funded by DHS. The square footage may be used to prorate the expenses of the building and assigned according to contracted program usage.) If there is no indirect cost in the category, the cost basis is a direct cost which is identified specifically with a particular category.

Direct Cost - any cost which can be identified with a particular cost objective (category).

Indirect Cost - a cost, because of its incurrence for common or joint objectives, which is not readily assignable as a direct cost.
