**DEPARTMENT OF LAW AND PUBLIC SAFETY
OFFICE OF THE ATTORNEY GENERAL**

EXECUTIVE SUMMARY

On December 30, 1999, the State of New Jersey and the United States of America agreed upon the terms of a Consent Decree in Civil No. 99-5970 (MLC) ("Consent Decree"). Pursuant to Consent Decree ¶114, this is the first semiannual public report of aggregate data ("Data Report"). This Data Report contains information in Motor Vehicle Tables (Exhibits A-G) and Misconduct Investigation Table (Exhibit H) for the period January 1, 2000 through April 30, 2000 which is retrievable through presently existing technology and procedures. As required by Consent Decree ¶114, the Motor Vehicle Tables contain data for each troop and station within the Division of State Police. On these tables, the race or ethnicity of the motorist is listed horizontally and the motor vehicle enforcement action or procedure is listed vertically.

More specifically, the vertical axis of the Motor Vehicle Tables lists summonses, warnings, and summonses & warnings. This information was obtained through the Computer Aided Dispatch ("CAD") system. This data reflects the race or ethnicity of the motorist as observed by the Trooper. The information regarding summonses and warnings reflects whether a summons or warning was issued, but not the number of summonses or warnings issued. Moreover, under the CAD reporting system if an arrest occurs and a summons is issued in connection with the motor vehicle stop, then only the arrest would be reflected.

The vertical axis of the Motor Vehicle Tables also lists total criminal arrests and patrol-related arrests as compiled utilizing Uniform Crime Report (UCR) methodology. Patrol-related arrests are, in turn, more specifically listed as arrests for drugs, weapons, and other patrol-related arrests. The vertical axis also lists arrests for driving under the influence, listed as "DUI."

As previously noted, the motor vehicle data supplied in this report is based upon existing technology and procedures. It is anticipated that, in the next semiannual public report, progress in technology and procedures will enable the State to disclose additional motor vehicle information, including the reason for the stop (i.e., moving, non-moving, other) and the procedures utilized during the course of a stop (i.e., requests occupant to exit vehicle, frisk, requests for consent to search, consent searches, non-consensual searches, uses of force, employing a drug detecting canine). It is anticipated that this technology will also enable the State to disclose whether summonses and warnings were issued for moving or non-moving violations. As reflected in Exhibit E, the CAD system was not operational on the Garden State Parkway during the period addressed in this Data

Report. Earlier this month, the CAD system became operational on two of the three stations located on the Garden State Parkway. It is anticipated that the CAD system will become fully operational on the Garden State Parkway within a matter of weeks. Accordingly, it is anticipated that this data will be available for the next semiannual Data Report.

As required by Consent Decree ¶114, Exhibit H contains misconduct investigation data on a statewide basis for the period January 1, 2000 through April 30, 2000. Exhibit H discloses whether an investigation was initiated by virtue of an internal (i.e., from a State Police member) or external (i.e., from a citizen who is not a State Police member) complaint. Exhibit H reflects misconduct investigations initiated on or after January 1, 2000 and does not reflect the progress of investigations previously initiated. This exhibit discloses the total number of misconduct investigations and their disposition -- substantiated, unsubstantiated, and unfounded. This exhibit also lists the categories of violations vertically.

While the State is encouraged with its progress in gathering data as reflected in this Data Report, the State acknowledges that it must continue to develop and implement technology and procedures referenced in this Data Report. This progress is the result of the commitment of substantial resources and effort by State Police members. The State remains committed to continuing this progress and implementing the provisions of the Consent Decree to the extent that such implementation is consistent with the safety of the public and the members of the New Jersey State Police.

**DEPARTMENT OF LAW AND PUBLIC SAFETY
OFFICE OF THE ATTORNEY GENERAL**

CONCLUSION

The foregoing Data Report has been submitted pursuant to ¶114 of the Consent Decree.

Respectfully submitted,

JOHN J. FARMER, JR.
ATTORNEY GENERAL OF NEW JERSEY

By: 

Martin Cronin
Assistant Attorney General
Director, State Police Affairs
