April 1, 2022

The Borgata COVID-19 Mitigation Plan (“Plan”) represents the plan as required by the New Jersey Division of Gaming Enforcement (“Division”) for casino licensee Marina District Development Company, LLC d/b/a “Borgata Hotel Casino and Spa” (“Borgata”). In addition to the requirements set forth in this Plan, Borgata will comply with all COVID-19 Executive Orders, mandates of the New Jersey Department of Health (“NJDOH”), and any related government orders, then in effect, applicable to Borgata’s approved casino hotel facility.

1. Borgata will place signage at public and employee entrances to Borgata’s facility reminding guests to follow CDC, and NJ DOH guidelines (handwashing, sanitizer use, stay at home if sick, etc.) and setting forth a checklist of COVID-19 symptoms. Signage will advise guests and employees that they should not enter if they are experiencing any signs or symptoms and will advise that unvaccinated individuals should wear masks while inside the facility.
2. Borgata will permit guests and employees to wear masks on property regardless of vaccination status. Patrons will be required to lower their mask when conducting cashier transactions and when requested for identification purposes.
3. Guests seeking assistance for COVID-19 symptoms will be provided with a mask and directed to exit the casino hotel facility and return home or to a medical facility for their safety and the safety of others.
4. Borgata will comply with any required reporting of guests with actual or presumed cases of COVID-19 to local and/or state health authorities for contact tracing and/or other purposes.
