NOTES TO FINANCIAL STATEMENTS
(Unaudited)

1. Basis of Presentation

The accompanying financial statements have been prepared in accordance with the rules and regulation of the New Jersey Division of Gaming Enforcement and include the accounts of Resorts Digital Gaming, LLC (the "Company"), a New Jersey limited liability company that was formed on June 27, 2014. The Company is owned 100% by DGMB Casino Holding, LLC ("Holding"), a Delaware limited liability company, through a 99.5% direct ownership and a 0.5 % indirect ownership through DGMB Casino SPE Corp. ("SPE"), a Delaware corporation, which is the managing member of the Company. MGA Gaming NJ, LLC (MGA), a New Jersey limited liability company, is a non-managing member of Holding and 10% owner.

The Company holds a casino license issued by the State of New Jersey Casino Control Commission ("Commission") and, as an Internet Gaming Affiliate of an affiliated company, DGMB Casino, LLC (Resorts), has been authorized by the State of New Jersey Division of Gaming Enforcement (DGE) to operate real money online gaming in New Jersey under the Internet Gaming Permit (NJIGP-13-008) issued to Resorts. Resorts operates Resorts Casino Hotel located in Atlantic City, NJ.

The Company operates the ResortsCasino.Com and MoheganSunCasino.Com websites which were approved by the DGE to offer legal online gaming in 2015.

2. Summary of Significant Accounting Policies

Cash

Cash includes cash on account and cash on hand. Amounts held in financial institutions are in excess of FDIC insurance limits.

Pursuant to NJAC 13:69O-1.3(j), a unique New Jersey bank account is maintained to segregate internet gaming patron's funds on deposit, pending withdraws and active bets. The balance in this account at December 31, 2015 is \$300,000. Unrestricted cash balance at December 31, 2015 is \$1,600,000.

Receivables

Receivables consist primarily of amounts due from third party processors and related business receivables. Accounts receivables are typically non-interest bearing and are initially recorded at cost.

Allowance for Doubtful Accounts

The Company reserves an estimated amount for receivables that may not be collected. The methodology for estimating the allowance includes using specific reserves and applying various percentages to aged receivables. Historical collection rates are considered, as are customer relationships, in determining specific allowances. As with many estimates, management must make judgments about potential actions by third parties in establishing and evaluating the allowance for doubtful accounts.

Revenue Recognition

Online real money gaming revenues are measured by the aggregate net difference between gaming wins and losses. Jackpots are recognized at the time they are won by customers.

Loyalty Program

The Company customer loyalty program offers incentives to customers. Under the program, customers are able to accumulate points over time that they may redeem at their discretion under the terms of the program. The points balance will be forfeited if the customer does not earn points over a designated period from the time they were first earned. The points are recognized when issued and are recorded as a promotional allowance in the statements of income.

RESORTS DIGITAL GAMING, LLC
NOTES TO FINANCIAL STATEMENTS
(Unaudited)

Gaming Tax

The Company remits monthly to the State of New Jersey a tax equal to 15% of gross internet gaming revenue, as defined. Gaming tax expense for the three and twelve months ended December 31, 2015 was \$510,000 and \$1 million, respectively. Gaming tax is included in casino expenses in the accompanying statements of income.

Income Taxes

The Company is treated as a partnership for federal income tax purposes; therefore, federal income taxes are the responsibility of Holding. In New Jersey, casino partnerships are subject to state income taxes under the Casino Control Act; therefore, the Company is required to record New Jersey state income taxes and file a consolidated return with other affiliates that derive income from the casino. These financial statements are prepared on a separate company return approach.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States (“GAAP”) requires that the Company make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and assumptions.
