**Boardwalk Regency Corporation (Caesars Atlantic City)**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**(Unaudited)**  
**(All dollar amounts in thousands)**

**NOTE 1 – ORGANIZATION AND BASIS OF PRESENTATION**

Boardwalk Regency Corporation (the “Company”), a New Jersey corporation, is a wholly owned subsidiary of Caesars New Jersey, Inc. (“CNJ”), a New Jersey corporation. The Company owns and operates the casino hotel resort in Atlantic City, New Jersey known as “Caesars Atlantic City”. CNJ is a wholly owned subsidiary of Caesars World, Inc. (“CWI”), a Florida corporation, and CWI is a wholly owned subsidiary of Caesars Entertainment Operating Company, Inc. (“CEOC”), a direct wholly owned subsidiary of Caesars Entertainment Corp. (“CEC”).

The Company operates in one industry segment and all significant revenues arise from its casino and supporting hotel operations. The Company is licensed to operate the facility by the New Jersey Division of Gaming Enforcement, (the “DGE”) and is subject to rules and regulations established by the DGE. The Company’s license is subject to resubmission every five years.

**CEOC Reorganization Petition** - On January 15, 2015 (the “Petition Date”), CEOC and certain of its United States subsidiaries, including the Company, (the “Debtors”) voluntarily filed for reorganization under Chapter 11 of the Bankruptcy Code. As a result of this filing, CEOC and the Companies operate as debtors-in-possession under the Bankruptcy Code.

The accompanying financial statements have been prepared on a going concern basis, which assumes continuity of operations and realization of assets and liabilities in the ordinary course of business. The Companies' ability to continue as a going concern is dependent upon CEOC's ability to restructure its indebtedness and emerge from bankruptcy, and a favorable resolution to the continued ability to use cash collateral. These uncertainties raise substantial doubt about the Companies' ability to continue as a going concern. The accompanying Consolidating Schedules do not include any adjustments that might result from the outcome of uncertainties, including the possibility that the Companies lose some or substantially all of their assets to foreclosure as a result of these uncertainties.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation** - The Company’s financial statements are prepared in accordance with accounting principles generally accepted in the United States (“GAAP”), which require the use of estimates and assumptions that affect the reported amounts of assets, liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting periods. Management believes the accounting estimates are appropriate and reasonably stated; however, due to the inherent uncertainties in making these estimates, actual amounts could differ.

**Boardwalk Regency Corporation (Caesars Atlantic City)**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**(Unaudited)**  
**(All dollar amounts in thousands)**

**Principles of Consolidation** - The accompanying consolidated financial statement schedules include the account balances of the Company and its wholly owned subsidiaries. As a result, all material intercompany transactions and balances have been eliminated in consolidation.

**Cash and Cash Equivalents** - Cash equivalents are highly liquid investments with original maturities of three months or less from the date of purchase and are stated at the lower of cost or market value.

**Allowance for Doubtful Accounts** - The Company reserves an estimated amount for receivables that may not be collected. The methodology for estimating the allowance includes using specific reserves and applying various percentages to aged receivables. Historical collection rates are considered, as are customer relationships, in determining specific allowances. As with many estimates, management must make judgments about potential actions by third parties in establishing and evaluating the allowance for doubtful accounts.

**Inventories** - Inventories, which consist primarily of food, beverage, and operating supplies, are stated at the lower of average cost or market value.

**Long-Lived Assets** – The Company has significant capital invested in long-lived assets, and judgments are made in determining the estimated useful lives of assets and salvage values and if or when an asset (or asset group) has been impaired. The accuracy of these estimates affects the amount of depreciation and amortization expense recognized in the Company's financial results and whether the Company has a gain or loss on the disposal of an asset. The Company assigns lives to its assets based on its standard policy, which is established by management as representative of the useful life of each category of asset.

The Company reviews the carrying value of its long-lived assets whenever events and circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. The Company typically estimates its fair value of assets starting with a "Replacement Cost New" approach and then deducting appropriate amounts for both functional and economic obsolescence to arrive at fair value estimates. Other factors considered by management in performing this assessment may include current operating results, trends, prospects, and third-party appraisals, as well as the effect of demand, competition, and other economic, legal, and regulatory factors. In estimating expected future cash flows for determining whether an asset is impaired, assets are grouped at the lowest level of identifiable cash flows. These analyses are sensitive to management assumptions and the estimates of the obsolescence factors, and changes in the assumptions and estimates, could have a material impact on the analysis and the supplemental consolidated financial statements schedules.

**Boardwalk Regency Corporation (Caesars Atlantic City)**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**(Unaudited)**  
**(All dollar amounts in thousands)**

Additions to property and equipment are stated at cost. The Company capitalizes the costs of improvements that extend the life of the asset. The Company expenses maintenance and repair costs as incurred. Gains or losses on the disposition of property and equipment are recognized in the period of disposal. Interest expense is capitalized on internally constructed assets at the applicable weighted-average borrowing rates of interest. Capitalization of interest ceases when the project is substantially complete or construction activity is suspended for more than a brief period of time.

Depreciation is calculated using the straight-line method over the shorter of the estimated useful life of the asset or the related lease as follows:

**Useful Lives**

Land improvements	12 years
Buildings	20 to 40 years
Leasehold improvements	5 to 20 years
Furniture, fixtures, and equipment	2.5 to 20 years

**Intangible Assets Other Than Goodwill** – Intangible assets other than goodwill represents the customer database with a gross carrying value of \$3,737 as of September 30, 2016 and 2015, respectively, with accumulated amortization of \$1,690 and \$1,075 as of September 30, 2016 and 2015, respectively. The customer database was determined to have a 12 year life based upon attrition rates and computations of incremental value derived from existing relationships.

**Impairment of Intangible Assets** - Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants in the principle market or, if none exists, the most advantageous market, for the specific asset or liability at the measurement date (referred to as the "exit price"). Fair value is a market-based measurement that should be determined based upon assumptions that market participants would use in pricing an asset or liability, including consideration of nonperformance risk.

We assess the inputs used to measure fair value using the three-tier hierarchy promulgated under GAAP. This hierarchy indicates the extent to which inputs used in measuring fair value are observable in the market.

- Level 1: Inputs include quoted prices in active markets for identical assets or liabilities that are accessible at the measurement date.
- Level 2: Inputs other than quoted prices included in Level 1 that are observable either directly or indirectly, including quoted prices for similar assets in active markets, quoted prices from identical or similar assets in inactive markets, and observable inputs such

**Boardwalk Regency Corporation (Caesars Atlantic City)**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**(Unaudited)**  
**(All dollar amounts in thousands)**

as interest rates and yield curves.

Level 3: Inputs that are significant to the measurement of fair value that are not observable in the market and include management's judgments about assumptions market participants would use in pricing the asset or liability (including assumptions about risk).

Our assessment of goodwill and other intangible assets for impairment includes an assessment using various Level 2 (EBITDA multiples and discount rate) and Level 3 (forecasted cash flows) inputs.

**Fair Value of Financial Instruments** - The fair value of a financial instrument is the amount at which the instrument could be exchanged in a current transaction between willing parties. The carrying amount of receivables and all current liabilities approximates fair value due to their short-term nature. After giving effect to their allowances, the Casino Reinvestment Development Authority ("CRDA") bonds and deposits approximately reflect their fair value based upon their below-market interest rates.

**Revenue Recognition** - Casino revenues are measured by the aggregate net difference between gaming wins and losses, with liabilities recognized for funds deposited by customers before gaming play occurs and for chips in the customers' possession. Food and beverage, rooms, and other operating revenues are recognized when services are performed. Advance deposits on rooms and advance ticket sales are recorded as customer deposits until services are provided to the customer. Sales taxes and other taxes collected from customers on behalf of governmental authorities are accounted for on a net basis and are not included in net revenues or operating expenses.

**Casino Promotional Allowances** - Casino promotional allowances consist of the retail value of complimentary food and beverages, accommodations, admissions and entertainment provided to casino patrons. Also included is the value of the coupons redeemed for cash at the property. The estimated costs of providing such complimentary services are classified as casino expenses in the accompanying statements of income. These costs consisted of the following as of September 30, 2016 and 2015:

**Total Rewards Program Liability** — Caesars’ customer loyalty program, Total Rewards, offers incentives to customers who gamble at the Company’s property and certain affiliate casinos throughout the United States. Under the program, customers are able to accumulate, or bank, reward credits over time that they may redeem at their discretion under the terms of the program. The reward credit balance will be forfeited if the customer does not earn a reward credit over the prior six-month period. As a result of the ability of the customer to bank the reward credits, the Company accrues the expense of reward credits, after consideration of estimated forfeitures referred to as “breakage”, as they are earned. The estimated cost to provide reward credits is expensed as the reward credits are earned and is included in casino expense in the accompanying consolidated statements of operations. To arrive at the estimated cost associated with reward credits, estimates and assumptions are made regarding incremental marginal costs of the benefits, breakage rates and the mix of goods and services for which reward credits will be redeemed. The Company uses historical data to assist in the determination of estimated accruals. At September 30, 2016 and 2015, \$2,885 and \$3,326 respectively, was accrued for the cost of anticipated Total reward credit redemptions. These amounts reside on Caesars’ Balance Sheet and thus are included in the due from affiliates balance in the accompanying consolidated balance sheets of the company.

In addition to Reward Credits, the Company’s customers can earn points based on play that are redeemable in Non-Negotiable Reel Rewards (“NNRR”). The Company accrues the costs of NNRR, after consideration of estimated breakage, as they are earned. The cost is recorded as contra-revenue and included in casino promotional allowances in the accompanying consolidated statements of operations. At September 30, 2016 and 2015, the liability related to outstanding NNRR, which is based on historical redemption, was approximately \$730 and \$850, respectively.

**Gaming Tax** — The Company remits weekly to the State of New Jersey a tax equal to 8% of the gross gaming revenue, as defined. Gaming taxes paid to the State of New Jersey for the nine months ended September 30, 2016 and 2015, which are included in casino expenses in the accompanying consolidated statements of income, were approximately \$18,204 and \$19,279, respectively.

**Advertising Expenses** – Advertising costs are expensed as incurred. Advertising expenses are \$790 and \$755 for the nine months ended September 30, 2016 and 2015 respectively. Advertising expenses are included in general, administrative and other expenses in the accompanying statements of income.

**City of Atlantic City Real Property Tax Appeals - Property Tax** – In 2015, the Company settled with the City with respect to their challenges to the real estate tax assessment for prior years. The City allowed the Company to use Showboat Casino’s prior year property tax credit, in the amount of \$4,193, against future tax payments in 2015 and the 1<sup>st</sup> quarter of 2016. In 2016, the City approved refunds/credits of the Company’s prior year’s property taxes in the amount of \$3,249 to be applied in five installments through the 1<sup>st</sup> quarter of 2017. The credits were recorded in general, administrative and other expense in the accompanying Statements of Income. In addition, the 2015 assessments were reduced by approximately \$220,000. During 2015, the city increased the property tax rate by approximately 2%. In July 2016, the Company received third quarter estimated property tax invoices and the tax increase is approximately 8.5%. The City does not have a resolution on what the final 2016 calendar year tax rate will be, as of the date of this submission. However, the City has indicated that the final tax bills may be available by the third week of November.

**Income Taxes** - The Company is included in the consolidated federal tax return of Caesars and files a separate New Jersey tax return. The (benefit)/provision for federal income taxes is computed based on the statutory federal rate as if the Company had filed a separate income tax return. The provision for state taxes is based on the statutory New Jersey tax.

Deferred tax assets and liabilities represent the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of a change in existing tax rates is recognized as an increase or decrease to the tax provision in the period that includes the enactment date. The Company follows the provisions of ASC 740-Income Taxes. The Company recognizes interest and penalties accrued related to unrecognized tax benefits in income tax expense.

**Use of Estimates** - The preparation of these financial statements in conformity with generally accepted accounting principles (GAAP) requires the Company to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from these estimates and assumption.

**Internet Gaming** - Caesars Interactive Entertainment New Jersey, LLC as the affiliate of Boardwalk

Regency Corporation, was issued an internet gaming permit on November 20, 2013 to conduct real money online gaming in the State of New Jersey. All real money online gaming is reported in the financial statements of Caesars Interactive Entertainment New Jersey, LLC.

**Seasonal factors** - The Company's operations are subject to seasonal factors and, therefore, the results of operations of the nine months ended September 30, 2016 are not necessarily indicative of the results of operations for the full year.

**Omission of Disclosures** - In accordance with the Financial Reporting guidelines provided by the Division of Gaming Enforcement, the Company has elected not to include certain disclosures, which have not significantly changed since filing the most recent Annual Report. Accordingly, the following disclosures have been omitted: Future Lease Obligations, Employee Benefits and certain Income Tax disclosures.

**NOTE 3 - RELATED PARTY TRANSACTIONS**

The Company participates with CEOC and Caesars' other subsidiaries in marketing, purchasing, insurance, employee benefit and other programs that are defined and negotiated by CEOC on a consolidated basis. The company believes that participating in these consolidated programs is beneficial in comparison to the terms for similar programs that it could negotiate on a stand-alone basis. The Company's property, assets and capital stock are pledged as collateral for certain of CEOC's outstanding debts.

**Cash Activity with CEOC and Affiliates** - The Company transfers cash in excess of its operating and regulatory needs to its parent on a daily basis. Cash transfers from its parent to the Company are also made based upon the needs of the Company to fund daily operations, including accounts payable and payroll, as well as capital expenditures. No interest is charged on transfers made to or from the companies.

**Administrative and Other Services** – Pursuant to a shared services agreement, CEOC provides certain corporate and administrative services to the Companies and allocates the costs of these services to the companies. In May 2014, Caesars Enterprise Service (“CES”) was formed, and the Members entered into the Omnibus License and Enterprise Services Agreement (see below). Certain of these corporate and administrative services are now provided by CES. The Company was charged \$16,093 and \$18,909 for these services for the nine months ended September 30, 2016 and 2015, respectively. The fee is included in charges from affiliates in the accompanying statements of income.

**Omnibus License and Enterprise Services Agreement** - On May 20, 2014, CEOC, Caesars Entertainment Resort Properties ("CERP"), and Caesars Growth Properties Holdings, LLC ("CGPH") (the "Members" and each a "Member") entered into a services joint venture, CES. CES manages certain Enterprise Assets and the other assets it owns, licenses or controls, and employs certain of the corresponding employees and other employees who previously provided services to CEOC, CERP and CGPH, their affiliates and their respective properties and systems under each property's corresponding property management agreement. Corporate expenses that are not allocated to the properties directly are allocated by CES to CEOC, CERP, and CGPH according to their allocation percentages. Operating expenses will be allocated to each Member with respect to their respective properties serviced by CES in accordance with historical allocation methodologies, subject to annual revisions and certain prefunding requirements.

**Equitization of Intercompany Balances** - During June 2013, the Company elected to equitize certain intercompany balances with its parent and affiliates that were previously classified as a receivable/liability. The offset to this was Additional Paid in Capital and Retained Earnings. This is shown separately on the Statement of Changes in Stockholder's Equity.

As of December 31, 2006, Caesars Atlantic City repaid the Developer approximately \$42,800 through CRDA funds previously deposited by the Companies. In December 2013, Caesars recognized an impairment of the lease incentive payments of \$36,060 reducing the balance to \$2,947. These payments are considered lease incentive payments and are being amortized over the life of the lease.

**NOTE 9 - OTHER ACCRUED EXPENSES**

Other accrued expenses as of September 30 consist of the following:

Total Long Term Debt	<u>\$ 518,330</u>	<u>\$ 518,330</u>

On July 1, 2006, the note formerly held by Caesars Entertainment Finance Corp. ("CEFC") was assigned to CEL. Neither the terms nor the amounts of debt were affected by this assignment. The only notable change resulting from the assignment was a change in the timing of interest payments. Prior to the assignment interest payments were made monthly. However, for subsequent tax years, interest payments will be remitted annually, payable in the following year. As of September 30, 2016 and 2015, accrued interest related to the intercompany note totaled \$306,748. Since the note is

due to an affiliate, a determination of fair value is not considered meaningful.

Due to the bankruptcy, the long term debt, accrued interest and capital leases are considered liabilities subject to compromise (LSTC).

**NOTE 11 – COMMITMENTS AND CONTINGENCIES**

**Litigation** – The Company is involved in various claims and legal actions arising in the ordinary course of business. In the opinion of management, these matters will not have a material effect on the Company’s financial position or results of operations.

**Insurance Reserve** - The Company is self-insured for various levels of general liability coverage. Insurance claims and reserves include the accrual of estimated settlements for known and anticipated claims. Accrued expenses and other current liabilities in the accompanying balance sheets include insurance allowances of \$0 as of September 30, 2016 and 2015. Actual results may differ from these reserve amounts.

**CRDA Investment Obligation** — The New Jersey Casino Control Act provides, among other things, for an assessment of licenses equal to 1.25% of their gross gaming revenues in lieu of an investment alternative tax equal to 2.5% of gross gaming revenues. The Company may satisfy this investment obligation by investing in qualified eligible direct investments, by making qualified contributions or by depositing funds with the CRDA. Funds deposited with the CRDA may be used to purchase bonds designated by the CRDA or, under certain circumstances, may be donated to the CRDA in exchange for credits against future CRDA investment obligations. CRDA bonds have terms up to 50 years and bear interest at below-market rate. During 2014, the Company entered into a donation credit agreement, whereby a portion of the Company’s CRDA deposits were permitted to be used for non-gaming related projects.

**CRDA Donation Credit Agreement** - In July 2016, the Company, Bally’s Park Place Inc.(BPP), Caesars Interactive Entertainment New Jersey LLC (CIE), Showboat Atlantic City Operating Company LLC and Harrah’s Operating Company (the Companies) entered into a Donation Credit Agreement with the CRDA. The agreement provides that the Companies donate their current Investment Alternative Tax (IAT) funds on deposit with the CRDA, through the first quarter of 2016, in exchange for a donation credit of 50%, to be used by the Companies for any eligible nongaming project.

Upon execution of the Donation Credit Agreement, BPP entered into an agreement with CIE. CIE agreed to sell and assign all of its rights to the released IAT funds to BPP and the Company, and, in exchange, agreed to apply a \$200 Rent Credit to CIE.

As of September 30, CRDA related assets were as follows:

	2016	2015
CRDA Bonds — net of amortized costs	\$ 2,467	\$ 2,655
Deposits — net of reserves of \$2,468 and \$4,781	2,522	6,271
Total	\$ 4,989	\$ 8,926

The Company records charges to operations to reflect the estimated net realizable value of its CRDA investment. Charges to operations were \$2,435 and \$2,935 for the nine months ended September 30, 2016 and 2015, respectively, and is included in CRDA Expense, in the consolidated statements of operations.

The funds on deposits are held in an interest-bearing account by the CRDA. Initial obligation deposits are marked down by approximately 33% to represent their fair value and eventual expected conversion into bonds by the CRDA. Once CRDA Bonds are issued, we have concluded that the bonds are held-to-maturity since the Company has the ability and the intent to hold these bonds to maturity and, under the CRDA, they are not permitted to do otherwise. As such, the CRDA Bonds are measured at amortized cost. As there is no market for the CRDA Bonds, its fair value could only be determined based on unobservable inputs. Such inputs are limited to the historical carrying value of the CRDA Bonds that are reduced, consistent with industry practice, by 1/3 of their face value at the time of issuance to represent fair value. The Company accretes such discount over the remaining life of the bonds. Accretion for the nine months ended September 30, 2016 and 2015 was \$4 and \$24, respectively, and is included in CRDA Expense in the consolidated statements of operations.

After the initial determination of fair value, the Company will analyze the recoverability of the CRDA Bonds on a quarterly basis and its effect on reported amount based upon the ability and likelihood of bonds to be repaid. When considering recoverability of the CRDA Bonds, the Company considers the relative credit-worthiness of each bondholder, historical collection experience and other information received from the CRDA. If indications exist that the amount expected to be recovered is less than its carrying value, the asset will be written down to its expected realizable amount.

All the Atlantic City casino properties (the “AC Industry”) and the CRDA entered into an agreement with the Atlantic City Alliance (the “ACA”) to provide funding to subsidize Atlantic City casino marketing. This agreement was signed on November 2, 2011 and is set to expire on December 31, 2016. The agreement provides that in exchange for funding, the ACA will create and implement a marketing plan for the AC Industry. As part of the agreement, the AC Industry provided an initial deposit of \$5,000 in December 2011 and continued to pay \$30,000 annually until December 31, 2016. The Company’s obligation was \$4,085 for the twelve months ended December 31, 2015. The Company has expensed \$2,787 for the nine months ended September 30, 2016. The Company

subsequently paid its 2016 obligation, in the amount of \$3,773, in October 2016.

**Atlantic City Conference Center** - In June 2013, Caesars established, AC Conference NewCo, LLC ("NewCo") to construct and operate a new conference center (the "Project") adjacent to Harrah's Atlantic City. NewCo is a direct wholly owned subsidiary of AC Conference HoldCo, LLC, which is a direct wholly owned subsidiary of Caesars.

Also in June 2013, Caesars signed an agreement with the CRDA regarding a grant for financial assistance in the amount of \$45,000 (the "Project Grant") wherein the CRDA will provide Caesars cash to help fund the construction of the Project. Under the Project Grant, Caesars is obligated to contribute to the CRDA the following:

- \$46,200 of Atlantic City Economic Development Investment Alternative Tax Obligation balances ("Existing Credits"), of which \$1,200 represents a 2.75% administrative fee,
- \$9,500 of CRDA Credits that the CRDA will use towards the construction of the CRDA's marketplace-style retail development project (the "Donation Credits"), and
- Land parcels with an appraised value of \$7,300 on which the CRDA's Marketplace Project will be developed (the Marketplace Parcels).

The gross value of the credits and land parcels described above held by the Companies immediately prior to the transaction were as follows:

Existing Credits

Harrah's Atlantic City Holding, Inc. and Subs.	\$ 23,400
Bally's Park Place Inc.	10,600
Boardwalk Regency Corporation	7,000
Ocean Showboat, Inc. and Subsidiaries	5,200
	\$ 46,200

Donation Credits

Ocean Showboat, Inc. and Subsidiaries	\$ 9,500
	\$ 9,500

Marketplace Parcels

Bally's Park Place, Inc.	\$ 4,600
Boardwalk Regency Corporation	2,700
	\$ 7,300

In return for the above, the CRDA will deposit \$45,000 into a Project Fund from which Caesars can draw on a pari-passu basis via reimbursements to NewCo based on amounts paid for the Project by NewCo. As of September 30, 2016, Caesars has received \$43,057 in reimbursements from the Project Fund.
