1.2 ***Preliminary Semiannual Uniform Crime Report, January–June, 2006, Set for Release***

In the past, the FBI has sent law enforcement agencies advance hard copies of the *Preliminary Semiannual Uniform Crime Report, January–June, 2006*, so that agencies would have the information before the data were released to the public. Because this document will no longer be published in hard copy, the FBI had to devise an alternate way for agencies to have advance access to the information. Consequently, the FBI has constructed a beta site for the *Preliminary Semiannual Uniform Crime Report, January–June, 2006*, to which agencies will have access. The Web site, username, and password are case sensitive.
