TO WHOM IT MAY CONCERN:

When a situation arises that an applicant requires four (4) or more Amber Light Permits, we ask that one (1) application be completed and returned with a copy of the registration for **EACH** vehicle.

After issuance of the Multiple Vehicle amber light permit, please place a copy of the permit in each vehicle.

When it is necessary to add a vehicle to the fleet, please send a brief letter advising this Commission of such along with a copy of the registration to supplement your file. When a vehicle is being deleted from the fleet, please notify this Commission by sending a brief note and be sure to include the PERMIT NUMBER and PLATE NUMBER of the vehicle being deleted.

Should you have any questions or require further assistance, please contact this office.

Information pertaining to an amber light permit is on the back of this application.

INFORMATION PERTAINING TO AMBER LIGHT PERMITS

ELIGIBLE:

Employees of the Department of Transportation and employees of contractors and subcontractor who are required to use a vehicle owned or leased by him or her in the performance of their duties at a DOT work Site.

POSSESSION AND EXHIBITION OF PERMIT:

A permit must be in the possession of the operator at all times when the special amber identification light is displayed on the vehicle, and must be exhibited upon the request of any law enforcement official.

PERMIT VALIDITY; CANCELLATION; REVOCATION:

The special amber identification light permit is valid for four years from the date of issuance or until the termination of the contract, whichever period is shorter. The permit is non-transferable. Termination of the type of employment or service for which the permit was issued, or the sale, transfer, disposal or termination of the lease of the vehicle for which the permit was issued, automatically and immediately cancels the permit and invalidates the authority for use of such a light. The permit is to be surrendered to the Motor Vehicle Commission by the permit holder within 10 days from the cancellation or revocation.

MOUNTING OF LIGHTS:

Amber warning lights shall be mounted so that at least one light is clearly visible from every direction when the vehicle is being used for the performance of duties as specified by the New Jersey Department of Transportation.

APPLICATION:

Department of Transportation Employees: The application must be completed in its entirety by the employee and countersigned by the Deputy Commissioner of the NJ Department of Transportation or his designee. Attach a copy of the vehicle registration and lease agreement, if applicable.

Contractor or Subcontractor Employee: The application must be completed in its entirety by the employee of the contractor or subcontractor, countersigned by an authorized representative of the contractor or subcontractor and signed by the Deputy Commissioner of the NJ Department of Transportation or his designee. Attach a copy of the vehicle registration and lease agreement, if applicable.
