

# INCIDENT COMMAND SYSTEM 300

## Course Information Sheet

**Location:** NJSP Headquarters – ROIC: West Trenton, NJ 08628

**Dates:** April 8-10, 2015: Three (3) days

**Time:** 8:00 a.m. - 4:00 p.m. (each day)

### Course Purpose:

This course provides training on and resources for personnel who require advanced application of the Incident Command System (ICS).

### Prerequisites:

Incident Command System 100 (online course)

Incident Command System 200 (online course)

### Course Objectives:

At the end of this course, the students should be able to:

- Describe how the NIMS Command and Management component supports the management of expanding incidents.
- Describe the incident/event management process for supervisors and expanding incidents as prescribed by the Incident Command System (ICS).
- Implement the incident management process on a simulated expanding incident.
- Develop an Incident Action Plan for a simulated Incident.

### Target Audience:

The target audience for this course is individuals who may assume a supervisory role in expanding incidents. Note: During an expanding incident, some or all of the Command and General Staff positions may be activated, as well as Division/Group Supervisor and/or Unit Leader level positions. These incidents may extend into multiple operational periods.

This course expands upon information covered in the ICS-100 and ICS-200 courses. These earlier courses are prerequisites for ICS-300.

### Registration Information:

- Registration is required and class size is limited to 16.
- Registration is required: [NJOEM Training Application](#). Fill out the application completely and email it to Lynne Reid [atftu@gw.njsp.org](mailto:atftu@gw.njsp.org) or fax to 609-671-0160.

*You will be contacted by email when your application is received and approved.*
