### Course Purpose:

The purpose of this course is to develop foundational knowledge of Mass Care and Emergency Assistance services in the community. It is not a "how to" for sheltering. Participants will use this information to build community emergency action items and to identify gaps in the community's program.

### Course Objectives

**At the end of this course, the students should be able to:**

- Define the four (4) primary Mass Care and Emergency Assistance services as discussed in this course.
- Describe how to determine their community's Mass Care and Emergency Assistance service resource requirements.
- Identify providers that exist in their community or can be called upon from a nearby community to meet the requirements for Mass Care and Emergency Assistance.
- Name planning and operational actions that can affect how services will be provided.
- List Action Items to utilize resources and providers to meet Mass Care and Emergency Assistance requirements in their community.
