Explanation of Terms

Updated Plan: Refers to the New Jersey State Hazard Mitigation plan approved by FEMA and adopted by the Governor of the State usually on a three (3) year cycle. The original State Haazard mitigation Plan was adopeted in 2005 and subsequently updated in 2008, and 2011. The next scheudeld Updated Plan will be re-issued in April 2014.

Plan update: Refers to the maintenance and monitoring of the approved New Jersey Hazard Mitigation on the six (6) month cycle as described in Section 7 of the adopted State Plan. Plan udates provide users with the most current technical information available. Plan updates do not contain any changes in policy nor requirements for additional information.

8.1: Interim Final Rule Requirement for Plan Adoption

The Interim Final Rule (201.4 (c) (6)) requires the State Hazard Mitigation Plan to include the following elements.

- i. *"A Plan Adoption Process.* The plan must be formally adopted by the State prior to submittal to FEMA for final review and approval. "
- ii. *"Assurances.* The plan must include assurances that the State will comply with all applicable Federal statutes and regulations in effect with respect to the periods for which it receives grant funding, in compliance with 44 CFR 13.11(c). The State will amend it plan whenever necessary to reflect changes in State or Federal laws and statutes as required in 44 CFR 13.11(d)."

8.2: Plan Adoption by the State of New Jersey

The State Hazard Mitigation plan update was prepared and approved by the State Hazard Mitigation Team. The completed Plan is considered a DRAFT until it is adopted by the Governor. The Draft, on its way to approval, follows the following route:

1. Forwarded to and approved by the State Director of Emergency Management and the Office of the Attorney General.
2. Once reviewed and approved it will then be forwarded to FEMA Region 2 for initial review then
3. Approved by the Governor.

The procedure is pursuant to Executive Order 115 (Florio), this plan is the State's "comprehensive plan for the reduction of natural hazards."

The State of New Jersey hereby assures and certifies that it will comply with the FEMA regulations, policies, guidelines and requirements including OMB's Circulars No. A-95 and A-102, and 44 Code of Federal Regulations, Part 13, as they relate to any approved projects or grants, acceptance and use of Federal funds for any Federally-assisted project.
