TRENTON MAKES

THE WORLD TAKES

Vision

The Trenton Health Team's vision is to make the city of Trenton, New Jersey the healthiest city in the state.

Mission

Trenton Health Team's mission is to transform healthcare for the city of Trenton, New Jersey, by forming a committed partnership with the community to expand access to high quality, coordinated healthcare.

Governance

The Trenton Health Team is governed by a set of bylaws, which provide for an Executive Committee and a Board of Trustees. The board meets monthly and the Executive Committee meets weekly. Minutes of these meetings are codified and distributed. Operational leadership for The Trenton Health consists of the four Executive Committee officers and the newly appointed Executive Director, Ruth E. Perry, MD.
