*The Honorable Donald T. DiFrancesco
Acting Governor of the State of New Jersey*

*Honorable Members of the Senate and
Assembly of the State of New Jersey*

Dear Acting Governor and Members of the Legislature:

Pursuant to N.J.S.A. 52:17B-5.5, I am submitting the thirty-fourth annual report of crime in New Jersey. The annual report is based on crime statistics submitted to the New Jersey Uniform Crime Reporting System by every New Jersey law enforcement agency for the year 2000.

Effective law enforcement requires accurate crime statistics in order to identify the extent, type, and location of criminal activity. Criminal Justice administrators and planners have long recognized the Uniform Crime Reporting Program as the vehicle to accomplish this objective.

The success of the Uniform Crime Reporting System during 2000 could not have been realized without the cooperation extended by each of the 555 law enforcement agencies of the state, the New Jersey Chiefs of Police Association, and the County Prosecutors Association.

It is in the interest of more effective law enforcement to the eight million residents of New Jersey that the thirty-fourth annual report is submitted.

Respectfully,

A handwritten signature in black ink, appearing to read "John J. Farmer, Jr.", written over a horizontal line.
