DIVISION OF ALCOHOLIC BEVERAGE CONTROL

Notice of Availability of Funds

Cops in Shops Summer Shore Initiative 2017

Take notice that the Division of Alcoholic Beverage Control (ABC) announces the following availability of non-competitive subaward program funds:

A. Name of program:

Cops in Shops Summer Shore Initiative 2017

B. Purpose:

The funds available in this notice are to be used to run the Cops in Shops Summer Shore Initiative 2017 program in qualifying municipalities.

Created by the Foundation for Advancing Alcohol Responsibility (formerly known as Century Council), a national non-profit organization dedicated to combating underage drinking, the Cops in Shops program offers a unique approach to preventing the illegal purchase of alcohol by underage persons through a "partnership" of liquor retailers, specifically Plenary Retail Distribution license holders, and the law enforcement community. The program also targets adults who purchase alcoholic beverages for underage individuals.

Specifically, undercover police officers work cooperatively with licensed retailers by posing as employees or patrons in the retail establishments to stop anyone under the age of 21 who attempts to purchase alcohol or use false identification. The Cops in Shops program advertises and educates youth, adults and parents about the legal repercussions of underage

drinking through the use of posters, decals, stickers (advertised at point of sale) and newspaper releases.

C. Available Funding:

The ABC is the recipient of an \$81,000 block grant for the summer 2017 program period from The New Jersey Division of Highway Traffic Safety (HTS). The funds available in this notice are to be used to run the Cops in Shops Summer Shore Initiative program in qualifying municipalities. The initiative will be supported by Federal Fiscal Year (FFY) 2017 National Priority Safety Programs (CFDA NO. 20.616) funding from the United States Department of Transportation, National Highway Traffic Safety Administration.

The ABC is seeking subaward applications for this initiative. The funds will be awarded on a non-competitive basis for the program period of June 23, 2017 through September 30, 2017. The number of awards available and the amount of awards depends upon the number of applications received.

D. Organizations which may apply for funding under this program:

The ABC is seeking applications from municipal police departments throughout New Jersey that are shore communities, or serve as a gateway to shore communities, and undergo a large influx of vacationers during the summer months. These municipalities must observe an influx of individuals under the legal age to engage in alcoholic beverage activity during the summer months when the seaside attractions lure people for vacations and weekend getaways.

The departments selected to implement the program will be encouraged to select retail liquor outlets based upon complaints and to seek out cooperating retailers. Agencies are required to submit letters of intent to participate from the retail licensed establishments that they plan to

work with. The Division recommends that two off-duty police officers be assigned to work in four-hour shifts. The ABC will reimburse the departments for their officers' overtime rates not to exceed \$50.00 per hour. Deterrence will be a major component of this effort. Cooperating retailers will post signs and other materials warning underage individuals that the program can be operating at any time on the licensed premises. Program participants will be required to submit to the ABC weekly timesheets and arrest data to monitor the results of the program.

E. Qualifications needed by Applicant to be considered for funding:
