New Jersey State Police

To Law Enforcement Executives:

As you all know, implementation of the Ontario Domestic Assault Risk Assessment (ODARA) begins on Wednesday, November 1, 2017. I attach to this letter the ODARA Scoring Form (revised 10/23/2017), which I hereby designate for use in accordance with subsection 4.6.3.b of the Attorney General Directive Law Enforcement Directive 2016-6 v3.0. The Scoring Form, which is supplied in both PDF and PDF fillable form, will be posted on the Attorney General's website along with the aforementioned Directive.

This Scoring Form supersedes any other version of the Scoring Form handed out at training programs and posted as a resource in any computer-based training programs. Please make note of the revision date, and do not use any versions with prior revision dates.

This is the only version of the Scoring Form that is to be used by law enforcement throughout New Jersey when scoring the ODARA. In the event that the Scoring Form undergoes modification in the future, the modified version will be announced and will be posted to the Attorney General's website.

Please contact us with questions. Thank you for your attention.

Sincerely yours,

Elie Honig  
Director, Division of Criminal Justice
