You have been summoned by, or on behalf of, the person whose name appears above as "defendant," to transport or accompany the defendant from this law enforcement agency. The defendant has been arrested and charged with one or both of the motor vehicle violations checked in the box above. Pursuant to N.J.S.A. 39:4-50.22, this **WARNING** is to advise you that if you accept responsibility to transport or accompany the defendant, and you permit or facilitate the operation of a motor vehicle by the defendant while the defendant is intoxicated or has a blood alcohol concentration at, or above, that permitted by law (N.J.S.A. 39:4-50), then you are potentially subject to criminal penalties and civil liability.

Permitting a person who is intoxicated or who has a blood alcohol concentration at, or above, that permitted by law, to operate a motor vehicle is a violation of N.J.S.A. 39:4-50(a). If you are charged and convicted under that statute: your driving privilege will be suspended; fines and monetary penalties will be imposed; and you may be incarcerated. If you permit or facilitate the defendant to operate a motor vehicle while the defendant remains intoxicated or has a blood alcohol concentration at, or above, that permitted by law, and the defendant becomes involved in a motor vehicle collision where other persons are injured or killed, then you may be subject to indictment and criminal prosecution. If you are prosecuted and found guilty, the court can impose fines and mandatory penalties, and a prison sentence. In addition to any criminal liability, if you permit or facilitate the defendant to operate a motor vehicle while the defendant remains intoxicated or has a blood alcohol concentration at, or above, that permitted by law, and the defendant becomes involved in a motor vehicle collision where there is property damage, or personal injury or death, then you may be held liable for civil damages, and those damages may not be covered by insurance.
