**THE DRIVER IS SAFER WHEN THE
ROADS ARE DRY:**

**THE ROADS ARE SAFER WHEN THE
DRIVER IS DRY**

- Drinking and driving takes a life every 48 minutes.
- You are 23 x's more likely to crash if you are texting while driving.
- Over 6,000 deaths and a half a million injuries are caused by distracted drivers every year.

Featured speaker and pianist will be **DAVE SCHLOSSBERG**. About nine years ago, Dave was hit and injured by a drunk driver. Hear his incredible story about overcoming tragedy and inspiring others to be diligent behind the wheel.

THE PLAINSBORO POLICE DEPARTMENT will speak on the repercussions of driving while distracted. Hear why it benefits you and your neighbors to pay attention while you're on the road.
