2. WHERE DO I PARK?

Guests to the Professional Center are asked to communicate the following parking information to their participants:

The Professional Center has parking for 250 onsite. The majority of those parking spaces are located in the back of the building. We arrange for additional areas for parking on “heavy traffic days,” and there is some parking on Van Dyke Avenue, however, there are limits to these options as well:

Parking on the side of the street opposite the Professional Center is prohibited from 8:30 am – 10:30 am on TUESDAYS.

Parking on the same side of the street as the Professional Center is prohibited from 8:30 am – 10:30 am on FRIDAYS.

There are a finite number of parking spaces available in the immediate area. Coming early and carpooling are always good ideas.
