HARRAH'S CASINO HOTEL ATLANTIC CITY
NOTES TO FINANCIAL STATEMENTS
(Unaudited)
(Dollars in Thousands)

NOTE 1 - ORGANIZATION AND BASIS OF PRESENTATION

Marina Associates and Subsidiary (the "Partnership") operates as a General Partnership and owns and operates a casino hotel resort located in the Marina District of Atlantic City, New Jersey known as Harrah's Casino Hotel Atlantic City. The Partnership is an indirect, wholly-owned subsidiary of Harrah's Operating Company, Inc. ("HOC"), which is a direct wholly-owned subsidiary of Harrah's Entertainment, Inc. ("Harrah's"). A substantial portion of the Partnership's revenues is derived from gaming and supporting hotel operations.

The Partnership is licensed to operate the facility by the New Jersey Casino Control Commission (the "CCC") and is subject to rules and regulations established by the CCC. The Partnership's license is subject to renewal every four years with the current license expiring in April 2008.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Principles of Consolidation - The accompanying consolidated financial statements include the account balances of the Partnership and its wholly-owned subsidiary, Reno Crossroads LLC ("Reno"). As a result, all material intercompany transactions and balances have been eliminated in consolidation.

Allowance for Doubtful Accounts - The Partnership reserves an estimated amount for receivables that may not be collected. The methodology for estimating the allowance includes using specific reserves and applying various percentages to aged receivables. Historical collection rates are considered, as are customer relationships, in determining specific allowances. As with many estimates, management must make judgments about potential actions by third parties in establishing and evaluating the allowance for bad debts.

Inventories - Inventories of provisions and supplies are valued at the lower of average cost, or market.

Land, Buildings and Equipment - Land, buildings, and equipment are stated at cost, including capitalized interest on intercompany funds used to finance construction calculated at Harrah's overall weighted-average borrowing rate of interest.

Improvements and repairs that extend the life of the asset are capitalized. Building improvements are depreciated over the remaining life of the building. Maintenance and repairs are expensed as incurred.

Depreciation is provided using the straight-line method over the shorter of the estimated useful life of the asset or the related lease term, as follows:

Land improvements	12 years
Buildings and improvements	30 to 40 years
Furniture, fixtures and equipment	3 to 12 years

The Partnership reviews the carrying value of land, buildings and equipment for impairment whenever events and circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When undiscounted expected future cash flows are less than the carrying value, an impairment loss is recognized equal to an amount by which the carrying value exceeds the fair value of the asset. The factors considered by the Partnership in performing this

HARRAH'S CASINO HOTEL ATLANTIC CITY
NOTES TO FINANCIAL STATEMENTS

(Unaudited)

(Dollars in Thousands)

assessment include current operating results, trends and prospects, as well as the effect of obsolescence, demand, competition and other economic factors.

Investments in Subsidiaries - During 1999, the Partnership, through its wholly owned subsidiary Reno Crossroads LLC ("Reno"), acquired a parcel of land in Reno, Nevada for approximately \$10,325. The existing facilities located on the parcel site were demolished and a new plaza was constructed on the site at a cost of approximately \$2,365. On February 1, 2000, Reno entered into an agreement to lease this parcel of land to HOC for a period of twenty years at a fixed rent of \$1,120 per year.

Financial Instruments - The carrying amount of receivables and all current liabilities approximates fair value due to their short-term nature. The fair value of a financial instrument is the amount at which the instrument could be exchanged in a current transaction between willing parties. After giving effect to their allowances, the Casino Reinvestment Development Authority ("CRDA") bonds and deposits approximately reflect their fair value based upon their below market interest rates. The carrying amount of long-term debt is estimated to approximate its fair value as the stated rates approximate current rates

CRDA Real Estate Project - The Partnership's investment in its CRDA real estate project (the "Project") consists of various townhomes, an apartment building and a retail store outlet in the northeast section of Atlantic City, NJ. Based upon an agreement with the CRDA, the Partnership may sell certain parts of the Project and will operate certain other parts for a period of up to 20 years.

Income or loss from the operation of the Project is included in the results of operations. Buildings are being depreciated using the straight-line method based on an estimated useful life of 27.5 years.

Revenue Recognition - Casino revenues consist of the net win from gaming activities, which is the difference between gaming wins and losses. Food, beverage, rooms and other revenues include the aggregate amounts generated by those departments.

Rewards Program - Our customer loyalty program, Total Rewards, offers incentives to customers who gamble at certain of our casinos throughout the United States. Under the program, customers are able to accumulate, or bank, Reward Credits over time that they may redeem at their discretion under the terms of the program. The Reward Credit balance will be forfeited if the customer does not earn a Reward Credit over the prior six-month period. As a result of the ability of the customer to bank the Reward Credits, we accrue the expense of Reward Credits, after consideration of estimated breakage, as they are earned. The value of the cost to provide Reward Credits is expensed as the Reward Credits are earned and is included in Casino expense on our Consolidated Statements of Income. To arrive at the estimated cost associated with Reward Credits, estimates and assumptions are made regarding incremental marginal costs of the benefits, breakage rates and the mix of goods and services for which Reward Credits will be redeemed. We use historical data to assist in the determination of estimated accruals. At December 31, 2005 and 2004, \$4,234 and \$2,742 million, respectively, was accrued for the cost of anticipated Total Rewards credit redemptions.

In addition to Reward Credits, customers can earn points based on play that are redeemable in cash ("cash-back points"). We accrue the cost of cash-back points, after consideration of estimated breakage, as they are earned. The cost is recorded as contra-revenue and included in Casino promotional allowances on our Consolidated Statements of Income. At December 31, 2005 and 2004, the liability related to outstanding cash-back points, which is based on historical redemption activity, was \$1,173 and \$920 million, respectively.

Casino Promotional Allowances - Casino promotional allowances consist of the retail value of complimentary food and beverages, accommodations, admissions and entertainment provided to casino patrons. Also included is the value of the coupons redeemed for cash at the property. The estimated costs of providing such complimentary services are classified as casino expenses in the accompanying statements of income. These costs consisted of the following at December 31:

	<u>2005</u>	<u>2004</u>
Food and beverage	\$ 25,814	\$ 22,922
Rooms	13,939	13,615
Other	5,357	3,366
Other Cash Complimentaries	<u>53,675</u>	<u>52,979</u>
	<u>\$ 98,785</u>	<u>\$ 92,882</u>

Income Taxes - The accompanying consolidated financial statements do not include a provision for federal income taxes, since any income or losses allocated to the partners are reportable for federal income tax purposes by each partner.

In accordance with regulations prescribed by the New Jersey Casino Control Act, the Partnership files a state income tax return on behalf of the partners. Accordingly, the accompanying consolidated financial statements include a provision for state income taxes.

Deferred tax assets and liabilities represent the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of a change in existing tax rates is recognized as an increase or decrease to the tax provision in the period that includes the enactment date.

Use of Estimates - The preparation of these financial statements in conformity with generally accepted accounting principles requires the Partnership to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from these estimates.

Reclassifications - Certain prior year balances have been reclassified to conform to the current year presentation.

NOTE 3 - RELATED PARTY TRANSACTIONS

The Partnership participates with HOC and its other subsidiaries in marketing, purchasing, insurance, employee benefit and other programs that are defined and negotiated by HOC on a consolidated basis. The Partnership believes that participating in these consolidated programs is beneficial in comparison to the terms for similar programs that it could negotiate on a stand-alone basis.

Certain of the more significant intercompany relationships between the Partnership and HOC are discussed in this footnote.

Cash Activity with HOC and Affiliates - The Partnership transfers cash in excess of its operating and regulatory needs to HOC on a daily basis. Cash transfers from HOC to the Partnership are also made based upon the needs of the Partnership to fund daily operations, including accounts payable and payroll, as well as capital expenditures. No interest is earned on the amount shown as due from affiliates, net, in the accompanying consolidated financial statements.

Employee Benefit Plans - HOC maintains a defined contribution savings and retirement plan in which the nonunion employees of the Partnership may participate. The plan, among other things, provides for pre-tax and after-tax contributions by employees. Under the plan, participating employees may elect to contribute up to 50 percent of their eligible earnings. The employer matches 50 percent of the first six percent of employees' contributions. Amounts contributed to the plan are invested, at the participant's direction, in up to 14 separate funds, including a Harrah's company stock fund. The Partnership's contribution expense totaled \$1,228 and \$1,215 in 2005 and 2004, respectively. Participants become vested in the matching contributions over five years of credited service.

HOC also maintains deferred compensation plans, stock option plans and an Executive Supplemental Savings Plan, under which certain employees of the partnership may defer a portion of their compensation. The expenses charged by HOC to the Partnership for its employees' participation in these programs are included in the administrative and other services charge discussed below.

Certain employees of the Partnership are covered by union-sponsored, collectively bargained multi-employer pension plans ("the Pension Plans"). The Partnership's contribution expense totaled \$2,036 and \$1,852 in 2005 and 2004, respectively. The Pension Plan's administrators do not provide sufficient information to enable the Partnership to determine their share, if any, of unfunded vested benefits.

Administrative and Other Services - The Partnership is charged a fee by HOC for administrative and other services (including consulting, legal, marketing, information technology, accounting and insurance). The Partnership was charged \$13,379 and \$11,980 for these services for the twelve months ended December 31, 2005 and 2004, respectively and \$ 3,699 and \$ 2,845 for three months ended December 31, 2005 and 2004 respectively. The fee is included in changes from affiliates in the accompanying consolidated statements of income.

NOTE 13 – COMMITMENTS AND CONTINGENCIES

Litigation - The Partnership is involved in various claims and legal actions arising in the ordinary course of business. In the opinion of management, these matters will not have a material effect on the Partnership's financial position or results of operations.

Insurance Reserve - The Partnership is self-insured for various levels of general liability coverage. Insurance claims and reserves include the accrual of estimated settlements for known and anticipated claims. Accrued expenses and other current liabilities in the accompanying balance sheets includes insurance allowances of \$75 and \$251 as of December 31, 2005 and 2004, respectively. Actual results may differ from these reserve amounts.

CRDA Investment Obligation - The New Jersey Casino Control Act provides, among other things, for an assessment of licensees equal to 1.25% of their gross gaming revenues in lieu of an investment alternative tax equal to 2.5% of gross gaming revenues. The Partnership may satisfy this investment obligation by investing in qualified eligible direct investments, by making qualified contributions or by depositing funds with the CRDA. Funds deposited with the CRDA may be used to purchase bonds designated by the CRDA or, under certain circumstances, may be donated to the CRDA in exchange for credits against future CRDA investment obligations. CRDA bonds have terms up to 50 years and bear interest at below market rates. The Partnership includes CRDA investment bonds and funds on deposit in deferred charges and other non-current assets in the accompanying balance sheets totaling \$10,619 and \$4,272, respectively, at December 31, 2005 and \$4,263 and \$8,713, respectively, at December 31, 2004. The Partnership records charges to operations to reflect the estimated net realizable value of its CRDA investment.

To satisfy current Atlantic City obligations as well as those projected beyond the year 2003, the Partnership received approval from the CRDA for a qualified direct investment project to construct various townhomes, an apartment building and a retail store outlet in the northeast section of Atlantic City ("CRDA real estate project") at an estimated cost to the Partnership of approximately \$54,573. As of December 31, 2005 and 2004, approximately \$6,044 and \$8,024, respectively, represents a prepayment of the Partnership's future obligations to the CRDA related to the CRDA real estate project. The prepaid asset is being amortized over the related Atlantic City obligation period and is included in deferred charges and other non-current assets in the accompanying balance sheets.

The Partnership has committed \$11,986 of its current and future CRDA deposit obligations for the refurbishment of the Atlantic City Convention Center. The amount was to be amortized on a straight-line basis over a 15-year period commencing September 2001. At December 31, 2005 and 2004, approximately \$322 and \$337, respectively, of additional funds have been earmarked for the refurbishment and included in the deferred charges and other noncurrent assets balance on the balance sheets.
