NOTE 4. COMMITMENTS AND CONTINGENCIESLicensing

On November 26, 1982, the Company was granted a plenary gaming license by the New Jersey Casino Control Commission, referred to as the "CCC". The license is renewable every four years. In November 2003, the license was renewed for a period of four years, effective through November 30, 2007.

The Company is a party to various claims, legal actions and complaints arising in the ordinary course of business or asserted by way of defense or counter-claim in actions filed by the Company. Management believes that its defenses are substantial in each of these matters, and the Company's legal posture can be successfully defended or satisfactorily settled without material adverse effect on its consolidated financial position, results of operations or cash flows.

The CCC imposes an annual tax of eight percent on gross casino revenue. Pursuant to legislation adopted in 1984, casino licensees are required to invest an additional one and one-quarter percent of gross casino revenue for the purchase of bonds to be issued by the Casino Reinvestment Development Authority ("CRDA") or make other approved investments equal to that amount; in the event the investment requirement is not met, the casino licensee is subject to a tax of two and one-half percent on gross casino revenue. As mandated by the legislation, the interest rate of the CRDA bonds purchased by the licensee will be two-thirds of the average market rate for bonds available for purchase and published by a national bond index at the time of the CRDA bond issuance. The Company's reinvestment obligation for 2007 and 2006, respectively, was \$3,935,000 and \$4,360,000 for the purchase of CRDA bonds. In 2007 and 2006, the Company recorded a loss provision of \$1,443,000 and \$1,305,000 respectively. The loss provision is to recognize the effect of the below market interest rate using the interest rate in effect at September 30, 2007.

NOTE 5. RELATED PARTIES

Transactions with affiliates consist of expenditures by affiliates on the Company's behalf including purchases of assets, facility rental, and administrative expenses or cash advances to affiliates or other receivables from affiliates. The Company has many significant transactions with Aztar. Since payment is not required to be made currently, the net of these transactions is classified as long-term.

Aztar performs various corporate services for the Company. For the period ended September 30, 2007 and 2006, Aztar charged the Company a management fee of \$0 and \$24,500,000, respectively.

Columbia Sussex, Tropicana Casinos and Resorts and Tropicana Entertainment all provide services to the Company. Once the shared services agreement with Sussex is approved by the CCC, the Company will be charged a management fee by Sussex for services provided. Services provided by Tropicana Casinos and Resorts are charged to Tropicana Entertainment at cost. Neither the management fee charged by Tropicana Casinos and Resorts to Tropicana Entertainment nor expenses directly incurred by Tropicana Entertainment will be charged to the Company.

Due to affiliates is reflected in Other Liabilities. The identity of the affiliate and corresponding balances at September 30, 2007 and 2006 are:

NOTE 6: ACCOUNTING FOR THE IMPACT OF THE OCTOBER 30, 2003 CONSTRUCTION ACCIDENT

An accident occurred on the site of the construction of the expansion on October 30, 2003. The accident resulted in a loss of life and serious injuries, as well as extensive damage to the facilities under construction.

Construction on the expansion project was substantially completed by December 31, 2004. The expansion includes 502 additional hotel rooms, 20,000 square feet of meeting space, 2,400 parking spaces, and "The Quarter at Tropicana," a 200,000-square-foot dining, entertainment and retail center.

The Company incurred \$2,471,000 and \$4,660,000 of construction accident related costs and expenses, that may not be reimbursed by insurance during the nine months ended September 30, 2007 and 2006, respectively. These costs and expenses primarily consist of professional fees incurred as a result of the accident.

During the nine months ended September 30, 2007 and 2006, the Company recorded \$0 and \$12,229,000, respectively, of insurance recoveries due to the delay of the opening of the expansion, which represent a portion of the anticipated profit that the Company would have recognized had the expansion opened as originally projected as well as some reimbursement for costs incurred as a result of the delay. These insurance recoveries were classified as a component of Non-operating Income(Expense) in the Statements of Income.

In order to ensure that the construction proceed expeditiously and in order to settle certain disputes, the Company and the general contractor entered into a settlement agreement on October 6, 2004 that delineates how the Company and its contractor will share the cost of and the insurance proceeds received for the dismantlement, debris removal and rebuild.

In April, 2007, the Company and its insurance carriers reached a settlement agreement regarding all outstanding claims for dismantlement, debris removal and rebuild. Also in April, 2007, the Company was a party to a settlement agreement that has fully resolved all liability claims that arose from the construction accident. The claims were satisfied in full within the policy limits of the Company's insurance programs and will have no material effect on the Company's financial condition.

The Company recorded recoveries of \$24,457,000 in 2007 net of all outstanding receivables and costs related to these claims. These amounts were classified as a component of Non-operating Income(Expense) in the Statements of Income.
