NOTE 1 - GENERAL

Organization and Operations

Trump Taj Mahal Associates LLC ("Taj Associates" or the "Company"), a New Jersey Limited Liability Corporation, is 100% beneficially owned by Trump Entertainment Resorts Holdings, LP ("TER Holdings," formerly known as Trump Hotels & Casino Resorts Holdings, LP ("THCR")), a Delaware Limited Partnership. Trump Entertainment Resorts, Inc. ("TER," formerly known as Trump Hotels & Casino Resorts, Inc.), a Delaware corporation, currently beneficially owns an approximate 76.5% profits interest in TER Holdings, as both general and limited partner, and Donald J. Trump ("Mr. Trump") owns directly and indirectly an approximate 23.5% profits interest in TER Holdings, as a limited partner.

Taj Associates owns and operates the Trump Taj Mahal Casino Resort (the "Taj Mahal"), an Atlantic City, New Jersey hotel, casino and convention center complex. Taj Associates derives its revenue from casino operations, room rental, food and beverage sales, and entertainment revenue. The casino industry in Atlantic City is seasonal in nature with the peak season being the spring and summer months.

Basis of Presentation

The accompanying financial statements have been prepared in accordance with the rules and regulations of the Casino Control Commission of the State of New Jersey (the "CCC"). Accordingly, certain information and note disclosures normally included in financial statements prepared in conformity with accounting principles generally accepted in the United States have been condensed or omitted. These financial statements should be read in conjunction with the financial statements and notes thereto included in Taj Associates' December 31, 2007 Quarterly Report as filed with the CCC.

Subject to the foregoing, the accompanying financial statements have been prepared without audit. In the opinion of management, all adjustments, consisting of only normal recurring adjustments necessary to present fairly the financial position, the results of operations, and cash flows for the periods presented, have been made.

Certain reclassifications and disclosures have been made to prior year financial statements in order to conform to the current year presentation.

NOTE 2 – TRUMP ONE UNIFIED PLAYER'S PROGRAM

In June 2007, TER implemented the Trump ONE unified player's program ("Trump ONE"), our new, company-wide customer loyalty program. Under Trump ONE, customers are able to accumulate complimentary dollars ("comp dollars") based upon their slot machine and table games play which may be redeemed at their discretion for complimentary food, beverage and retail items. Unredeemed comp dollars are subject to the terms of the Trump ONE program, including forfeiture based upon the lapsing of time. The Company records the cost of comp dollars as a selling, general and administrative expense when earned by customers. The retail value of the complimentary food, beverage and other retail items is recorded as revenue with an offset to promotional allowances at the time customers redeem comp dollars. As of March 31, 2008, the Company had \$2,394 accrued for the estimated cost of the outstanding comp dollar liability.

In addition to comp dollars, our customers have the ability to earn points based on slot machine or table games play that are redeemable in cash ("cash-back points"). The Company has historically accrued the cost of cash-back points, after consideration of estimated forfeitures, as they are earned. The cost is recorded in promotional allowances. Customers may also receive discretionary complimentary rooms, food and beverage and other services which are expensed as incurred.

NOTE 3 – INTANGIBLE ASSETS AND GOODWILL

In accordance with SFAS 142, the Company performed its annual goodwill and other intangible asset impairment test as of October 1, 2007. With the assistance of an independent valuation firm, the Company used discounted cash flow, market capitalization and market multiple methodologies in the determination of the estimated fair value of the Company. Based upon the estimated fair value of Taj Associates, it was determined that goodwill was not impaired. However, the Company determined that the negative effects resulting from increased regional competition, the partial smoking ban in Atlantic City and a general weakening of the economy resulted in an impairment of its trademarks.

As a result, Taj Associates recorded an other intangible asset impairment charge of \$30,447 relating to its trademarks. Such charge was included in other assets on the December 31, 2007 balance sheet and nonoperating income (expense) as an other intangible asset impairment charge in the statement of income for the quarter and year ended December 31, 2007.

The impairment test procedures performed in accordance with SFAS 142 require comprehensive estimates of the future cash flows of the Company. Due to uncertainties associated with such estimates, actual results could differ from such estimates. A continuation of the previously mentioned conditions may result in the determination that some or all of the Company's remaining goodwill and other intangible assets have become impaired, which could result in additional impairment charges.

A rollforward of trademarks and goodwill is as follows:

	<u>Trademarks</u>	<u>Goodwill</u>
Balance December 31, 2006	\$ 81,000	\$ 92,981
Non-cash charge in lieu of income taxes	—	(200)

NOTES TO FINANCIAL STATEMENTS

8.5% Note Payable – TER and TER Funding

In May 2005, TER Holdings and Trump Entertainment Resorts Funding, Inc., a wholly owned subsidiary of TER Holdings, (collectively, “the Issuers”), issued \$1,250,000 principal amount of 8.5% Senior Secured Notes due June 1, 2015 (the “TER Notes”). From the proceeds of the issuance of the TER Notes, TER Holdings loaned \$575,000 to Taj Associates.

8.5% Revolving Grid Note Payable – TER Holdings

In July 2007, Taj Associates entered into a Revolving Grid Note (“Grid Note”) with TER Holdings. Pursuant to the Grid Note, Taj Associates agreed to repay up to \$250,000 of advances made by TER Holdings, including any accrued unpaid interest on outstanding advances thereon. Upon execution of the Grid Note, outstanding amounts due to TER Holdings relating to intercompany borrowings and unpaid interest due on the 8.5% Note Payable were refinanced through the Grid Note.

Guarantees

The Company, along with Trump Plaza Associates, LLC (“Plaza Associates”) and Trump Marina Associates, LLC (“Marina Associates”), guarantees TER Holdings’ and TER Funding’s \$493,250 Credit Facility and TER Notes on a joint and several basis. The Credit Facility is secured by substantially all of the assets of the Issuers and Taj Associates on a priority basis. Therefore, the TER Notes and the guarantee thereof are effectively subordinated to amounts borrowed by TER under the Credit Facility. At March 31, 2008, TER had outstanding borrowings of \$392,266 and \$1,248,969 under the Credit Facility and the TER Notes, respectively.

Capitalized Lease Obligations

During January 2008, in connection with the construction of the new hotel tower at the Trump Taj Mahal, we entered into an amendment to our thermal energy service agreement with a subsidiary of a local utility company which provides thermal energy services (steam heating and chilled water cooling services) to the Trump Taj Mahal. The Amendment (i) requires the supplier to design, install and construct certain additions which will enable the Trump Taj Mahal’s existing thermal energy production facilities to provide the heating and cooling requirements of the new hotel tower, (ii) extends the term of the original thermal energy service agreement to December 31, 2027 and (iii) changes the fixed monthly thermal energy fees. The estimated cost of the additions was \$6 million and has been recorded as a capital lease obligation.

NOTE 5 - INCOME TAXES

Federal Income Taxes

The accompanying financial statements do not include a provision for federal income taxes since the Company is a division of TER Holdings, which is taxed as a partnership for federal income tax purposes. Therefore, the Company’s income and losses are allocated and reported for federal income tax purposes by TER Holdings’ partners.

State Income Taxes

Under the New Jersey Casino Control Act, the Company is required to file New Jersey corporation business tax returns.

The Predecessor Company’s net operating losses utilized to offset taxable income of the Reorganized Company will be recorded in the provision for income taxes as a non-cash charge in lieu of taxes and as a reduction to goodwill, if available, and additional paid-in-capital to the extent goodwill would be reduced to zero.

TRUMP TAJ MAHAL ASSOCIATES, LLC
NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2008
(Unaudited)
(in thousands)

The state income tax provision is as follows:

	Three Months Ended	
	March 31	
	2008	2007
Current	—	—
Deferred	—	—
Non-cash charge in lieu of taxes	—	200
	<u>—</u>	<u>\$ 200</u>

The non-cash charge in lieu of income taxes represents the utilization of pre-reorganization tax benefits that are reflected as a reduction to goodwill.

At March 31, 2008, the Company had unrecognized tax benefits of approximately \$13,262 (including interest) of which \$3,205 would affect its effective tax rate, if recognized. The application of FIN 48 did not have an impact on partners' capital on the date of adoption. It is reasonably possible that certain unrecognized tax benefits related to income tax examinations totaling \$3,470 could be settled during the next twelve months.

The Company recognizes interest accrued related to unrecognized tax benefits in interest expense and penalties as a component of income tax expense. During the three months ended March 31, 2008 and 2007, the Company recognized approximately \$289 and \$274, respectively, in potential interest associated with uncertain tax positions. At March 31, 2008, the Company had approximately \$3,143 accrued for the payment of interest on uncertain tax positions. To the extent interest is not assessed with respect to uncertain tax positions of the Reorganized Company, amounts accrued will be reduced and reflected as a reduction of interest expense. To the extent interest is not assessed with respect to uncertain tax positions of the Predecessor Company, amounts accrued prior to the reorganization date will be reduced and the impact will reduce goodwill in accordance with Emerging Issues Task Force Issue 93-7, "Uncertainties Related to Income Taxes in a Purchase Business Combination" ("EITF 93-7").

Federal and State Income Tax Audits

Tax years 2005 through 2007 remain subject to examination by the federal tax authority. Tax years 1997 through 2007 remain subject to examination by state tax jurisdictions.

From 2002 through 2006, state income taxes for the Company's New Jersey operations were computed under the alternative minimum assessment method. The Company has asserted its position that New Jersey partnerships were exempt from these taxes and, as such, have not remitted payments of the amounts provided. The New Jersey Division of Taxation has issued an assessment to collect the unpaid taxes for the tax years 2002 through 2003. At March 31, 2008, the Company has accrued \$12,429 for taxes and interest relating to this alternative minimum tax assessment for 2002 and 2003, as well as the open years 2004 through 2006. The Company is currently in discussions with the New Jersey Division of Taxation regarding settlement of these assessments.

NOTE 6 – RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

In December 2007, the FASB issued SFAS No. 141 (Revised 2007), “Business Combinations” (“SFAS 141(R)”). This Statement retained the fundamental requirements in SFAS 141 that the acquisition method of accounting (which SFAS 141 called the purchase method) be used for all business combinations and for an acquirer to be identified for each business combination. SFAS 141(R), which is broader in scope than that of SFAS 141, which applied only to business combinations in which control was obtained by transferring consideration, applies the same method of accounting (the purchase method) to all transactions and other events in which one entity obtains control over one or more other businesses. SFAS 141(R) also makes certain other modifications to SFAS 141. The Company is required to apply the provisions of SFAS 141(R) to business combinations for which the acquisition date is on or after January 1, 2009. Earlier application is prohibited. The Company does not expect the adoption of SFAS 141(R) to have a material effect on our financial statements.

In February 2007, the FASB issued SFAS No. 159, “The Fair Value Option for Financial Assets and Financial Liabilities” (“SFAS 159”). SFAS 159 permits companies to choose to measure many financial instruments and certain other items at fair value. The fair value option established by SFAS 159 permits all companies to choose to measure eligible items at fair value at specified election dates. At each subsequent reporting date, companies shall report in earnings any unrealized gains and losses on items for which the fair value option has been elected. The Company adopted SFAS 159 effective January 1, 2008 and did not elect the fair value measurement option for any financial assets or liabilities.

In September 2006, the FASB issued SFAS No. 157, “Fair Value Measurements” (“SFAS 157”) which defines fair value, establishes a framework for measuring fair value in GAAP, and expands disclosures about fair value measurements. SFAS 157 applies under other accounting pronouncements that require or permit fair value measurements and, accordingly, does not require any new fair value measurements. On February 12, 2008, the FASB issued FASB Staff Position No. FAS 157-2, Effective Date of FASB Statement No. 157 (“FSP 157-2”), delaying the effective date of SFAS 157 to fiscal years beginning after November 15, 2008 for non-financial assets and non-financial liabilities, except for items that are recognized or disclosed at fair value in the financial statements on a recurring basis. Non-financial assets and non-financial liabilities for which the Company is not yet required to apply the provisions of SFAS 157 include our goodwill and intangible assets and long-lived assets measured at fair value under the provisions of SFAS 142, “Goodwill and Other Intangible Assets” and SFAS No. 144, “Accounting for the Impairment or Disposal of Long-Lived Assets,” respectively. The Company adopted SFAS 157 effective January 1, 2008 for financial assets and liabilities. The adoption of SFAS 157 did not impact our financial statements. The Company does not expect that the adoption of the deferment provisions of FSP 157-2 will have a material effect on our financial statements.

NOTE 9 - COMMITMENTS AND CONTINGENCIES

Legal Proceedings

Taj Associates and certain of its employees are involved from time to time in various legal proceedings incidental to the Company’s business. While any proceeding or litigation contains an element of uncertainty, management believes that the final outcomes of these matters are not likely to have a material adverse effect on the Company’s results of operations or financial condition. In general, the Company has agreed to indemnify such persons, and its directors, against any and all losses, claims, damages, expenses (including reasonable costs, disbursements and counsel fees) and liabilities (including amounts paid or incurred in satisfaction of settlements, judgments, fines and penalties) incurred by them in said legal proceedings absent a showing of such persons’ gross negligence or malfeasance.

Construction Commitments

At March 31, 2008, the Company had outstanding future construction commitments of approximately \$110,000 relating primarily to the construction of its new 782-room hotel tower.

Casino License Renewal

The Company is subject to regulation and licensing by the CCC. The Company’s casino license must be renewed periodically, is not transferable, is dependent upon the financial stability of the Company and can be revoked at any time. Due to the uncertainty of any license renewal application, there can be no assurance that the license will be renewed.

In June 2007, the CCC renewed the Company’s license to operate the Taj Mahal for the next five year period through June 2012. Upon revocation, suspension for more than 120 days, or failure to renew the casino license, the Casino Control

Act provides for the mandatory appointment of a conservator to take possession of the hotel and casino's business and property, subject to all valid liens, claims and encumbrances.

Coastal Area Facilities Review Act Agreement

Taj Associates received a permit under the Coastal Area Facilities Review Act ("CAFRA"), which included a condition of Taj Associates' casino license that initially required Taj Associates to begin construction of certain improvements on the Steel Pier by October 1992. Such improvements were to be completed within 18 months of commencement. In March 1993, Taj Associates obtained a modification of its CAFRA permit providing for the extension of the required commencement and completion dates of the improvements to the Steel Pier for one year, which has been renewed annually based upon an interim use of the Steel Pier as an amusement park. The pier sublease, pursuant to which Taj Associates leases the Steel Pier to an amusement park operator, terminates on December 31, 2008. The conditions of the CAFRA permit renewal thereafter are under discussion with the New Jersey Department of Environmental Protection.

Casino Reinvestment Development Authority Obligations

Pursuant to the provisions of the Casino Control Act, the Company must either obtain investment tax credits, as defined in the Casino Control Act, in an amount equivalent to 1.25% of its gross casino revenues, as defined in the Casino Control Act, or pay an alternative tax of 2.5% of its gross casino revenues. Investment tax credits may be obtained by making qualified investments, as defined, or by depositing funds which may be converted to bonds by the Casino Reinvestment Development Authority (the "CRDA"), both of which bear interest at two-thirds of market rates resulting in a fair value lower than cost. The Company is required to make quarterly deposits with the CRDA to satisfy its investment obligations.

NJSEA Subsidy Agreement

In April 2004, the casinos located in Atlantic City ("Casinos"), including our Atlantic City casinos, executed an agreement ("NJSEA Subsidy Agreement") with the New Jersey Sports and Exposition Authority ("NJSEA") and the CRDA. The NJSEA Subsidy Agreement provides that the Casinos, on a pro rata basis according to their gross revenues, shall pay in cash and donate from the regular payment of their CRDA obligations a total of \$86,000 in four annual installments in October of each of 2004 through 2007 to the NJSEA. It required that the funds be used by the NJSEA through December 31, 2008 to enhance purses, fund breeders awards and establish account wagering at New Jersey horse racing tracks. Trump Taj Mahal's portion of this industry obligation was approximately 10.4%.

The NJSEA Subsidy Agreement further provided for a moratorium until January 2009 on the conduct of casino gaming at any New Jersey racetrack and conditioned the donation of the CRDA funds upon the enactment and funding of the Casino Expansion Fund Act which made funds available, on a pro rata basis, to each of the Casinos for investment in eligible projects in Atlantic City approved by the CRDA. In September 2006, the CRDA approved the new hotel tower presently under construction at the Trump Taj Mahal as an eligible project and, pursuant to October 2006 agreements, authorized grants to the Trump Atlantic City casinos in aggregate amounts of approximately \$13,800 from the Atlantic City Expansion Fund and \$1,575 from a separate Casino Capital Construction Fund, both administered by the CRDA.

The New Jersey Legislature amended the Casino Control Act effective April 18, 2008 to permit the Casinos to deduct the amount of certain promotional gaming credits wagered at their slot machines in calculating the tax on gross gaming revenue. The amendment, however, is inoperative until the Casinos execute a new subsidy agreement with the NJSEA for the benefit of the horse racing industry for \$30 million annually for a three-year period. Presently, the Casinos are negotiating the terms of a new subsidy agreement with the NJSEA and the New Jersey Casino Control Commission is considering regulations to establish procedures by which the Casinos may implement the tax deduction.
