NOTES TO FINANCIAL STATEMENTS
(Unaudited)
(All dollar amounts in thousands)

NOTE 1 – ORGANIZATION AND BASIS OF PRESENTATION

The accompanying financial statements include the accounts of Bally’s Park Place, Inc., a New Jersey corporation (the “Company”), an indirect, wholly owned subsidiary of Caesars Operating Company, Inc. (“CEOC”), (formerly Harrah’s Operating Company, Inc.) which is a direct wholly owned subsidiary of Caesars Entertainment, Inc. (“Caesars”), (formerly Harrah's Entertainment, Inc.). On November 23, 2010 Harrah's Entertainment, Inc. was changed to Caesars Entertainment Corporation. The Company owns and operates the casino hotel resort in Atlantic City, New Jersey known as “Bally’s Atlantic City.”

The Company operates in one industry segment and all significant revenues arise from its casino and supporting hotel operations. The Company is licensed to operate the facility by the New Jersey Casino Control Commission (the “CCC”) and is subject to rules and regulations established by the CCC. The Company’s license is subject to renewal every five years with the current license expiring July 2013. On February 1, 2011, the Governor signed into law a bill which transferred certain regulatory authority from the New Jersey Casino Control Commission to the New Jersey Division of Gaming Enforcement, (the “DGE”).

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Allowance for Doubtful Accounts - The Company reserves an estimated amount for receivables that may not be collected. The methodology for estimating the allowance includes using specific reserves and applying various percentages to aged receivables. Historical collection rates are considered, as are customer relationships, in determining specific allowances.

Inventories - Inventories, which consist primarily of food, beverage and operating supplies, are stated at the lower of average cost or market value.

Land, Buildings and Equipment - Improvements that extend the life of the asset are capitalized. Building improvements are depreciated over the remaining life of the building. Maintenance and repairs are expensed as incurred.

Depreciation is provided using the straight-line method over the shorter of the estimated useful life of the asset or the related lease term, as follows:

Land improvements	12 years
Buildings and improvements	5 to 40 years
Furniture, fixtures and equipment	3 to 20 years

The Company reviews the carrying value of land, buildings and equipment for impairment whenever events and circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. If undiscounted expected future cash flows are less than the carrying value, an impairment loss would be recognized equal to an amount by which the carrying value exceeds the fair value of the asset. The factors considered by the Company in performing this assessment include current operating

NOTES TO FINANCIAL STATEMENTS
(Unaudited)
(All dollar amounts in thousands)

results, trends and prospects, as well as the effect of obsolescence, demand, competition and other economic factors. No impairment was recognized by the Company for all periods presented in the statements of operations.

Goodwill and Other Intangible Assets – The Company accounts for goodwill and other intangible assets in accordance with Accounting Standard Codification (“ASC”) 350, Intangible Assets, Goodwill and Other. The Company performs at least an annual review of intangible assets for impairment.

The Company maintains customer relationships (database) totaling \$24,700. The customer relationships have been determined to have a useful life of twelve years and are being amortized using the straight-line method. Amortization expense for the three months ended March 31, 2012, and 2011 was \$515. Estimated annual amortization expense for customer relationships for each of the years ending December 31, 2012, 2013 and 2014 is approximately \$2,058.

Fair Value of Financial Instruments — The carrying amount of current assets and all current liabilities approximates fair value due to their short-term nature. The fair value of a financial instrument is the amount at which the instrument could be exchanged in a current transaction between willing parties. After giving effect to their allowances, the CRDA bonds and deposits approximately reflect their fair value based upon their below-market interest rates.

Revenue Recognition — Casino revenues are measured by the aggregate net difference between gaming wins and losses, with liabilities recognized for funds deposited by customers before gaming play occurs and for chips in the customers’ possession. Food and beverage, rooms, and other operating revenues are recognized when services are performed. Advance deposits on rooms and advance ticket sales are recorded as customer deposits until services are provided to the customer. The Company does not recognize as revenue taxes collected on goods or services sold to its customers.

Casino Promotional Allowances - Casino promotional allowances consist of the retail value of complimentary food and beverages, accommodations, admissions and entertainment provided to casino patrons. Also included is the value of the coupons redeemed for cash at the property. The estimated costs of providing such complimentary services are classified as casino expenses in the accompanying statements of income. These costs consisted of the following as of March 31:

	<u>2012</u>	<u>2011</u>
Rooms	\$2,679	\$3,189
Food and Beverage	7,399	7,528
Other	681	1,019
Bus Program Cash	31	36
Promotional Gaming Credits	11,851	13,157
Other Cash Complimentaries	2,101	2,071
	<u>\$22,063</u>	<u>\$27,000</u>

Total Rewards Program Liability - The Company’s customer loyalty program, Total Rewards,

BALLY'S PARK PLACE, INC. (Bally's Atlantic City)
NOTES TO FINANCIAL STATEMENTS
(Unaudited)
(All dollar amounts in thousands)

offers incentives to customers who gamble at certain of affiliated casinos throughout the United States. Under the program, customers are able to accumulate, or bank, reward credits over time that they may redeem at their discretion under the terms of the program. The reward credit balance will be forfeited if the customer does not earn a reward credit over the prior six-month period. As a result of the ability of the customer to bank the reward credits, the expense of reward credits is accrued after consideration of estimated forfeitures (defined as "breakage"), as they are earned. The estimated cost to provide reward credits is expensed at the property where they are earned and is included in casino expense on the accompanying consolidated statements of operations. To arrive at the estimated cost associated with reward credits, estimates and assumptions are made regarding incremental marginal costs of the benefits, breakage rates and the mix of goods and services for which reward credits will be redeemed. The Company uses historical data to assist in the determination of estimated accruals. At March 31, 2012 and 2011, \$3,112 and \$3,553, respectively, was accrued for the cost of anticipated Total Rewards credit redemptions. These amounts reside on Caesars balance sheet and thus are included in the due from affiliates balance in the accompanying balance sheets of the Company.

In addition to reward credits, the Company's customers can earn points based on play that are redeemable in Non Negotiable Reel Rewards ("NNRR"). The Company accrues the costs of NNRR points, after consideration of estimated breakage, as they are earned. The cost is recorded as contra-revenue and included in casino promotional allowances in the accompanying statements of income. At March 31, 2012 and 2011, the liability related to outstanding cash-back points, which is based on historical redemption activity, was approximately \$503 and \$553, respectively.

Investments in Subsidiaries - The Company has an investment in Atlantic City Country Club 1, LLC ("ACCC") reflected in the accompanying financial statements using the equity method.

Advertising Expenses — Advertising costs are expensed as incurred. Advertising expenses are approximately \$1,000 and \$531 for the three months ended March 31, 2012 and 2011, respectively. Advertising expenses are included in selling, general and administrative expenses in the statements of income.

Gaming Tax — The Company remits weekly to the NJ Division of Taxation a tax equal to eight percent of the gross gaming revenue, as defined. Gaming taxes paid to the NJ Division of Taxation for the twelve months ended March 31, 2012 and 2011, which are included in Cost of Sales in the accompanying statements of income, were approximately \$6,153 and \$7,061, respectively.

In House Progressive Liability - In March 2012 the DGE approved regulation which allowed casinos to remove in-house progressives from the floor. Casinos were no longer required to keep in-house progressives once established on the floor, as a result, the regulations allowed us to remove the liability (reset and incremental portion) from the progressive slot liability account. The offset was an increase to the slot revenue.

Property Taxes - On March 2012 the City of Atlantic City approved the property tax refund to the Company in the amount of \$10,600 which related to the years 2009 through 2011. This amount is booked as a receivable on the Balance Sheet.

Income Taxes - The Company is included in the consolidated federal tax return of Caesars and files

BALLY'S PARK PLACE, INC. (Bally's Atlantic City)
NOTES TO FINANCIAL STATEMENTS
(Unaudited)
(All dollar amounts in thousands)

a separate New Jersey tax return. The provision for federal income taxes is computed based on the statutory federal rate as if the Company had filed a separate income tax return. The provision for state taxes is based on the statutory New Jersey tax.

Deferred tax assets and liabilities represent the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of a change in existing tax rates is recognized as an increase or decrease to the tax provision in the period that includes the enactment date. The Company follows the provisions of *ASC 740- Income Taxes*. The Company recognizes interest and penalties accrued related to unrecognized tax benefits in income tax expense.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenue and expenses reported during the period. Actual results could differ from such estimates.

NOTE 3 – RELATED PARTY TRANSACTIONS

The Company participates with CEOC and its other subsidiaries in marketing, purchasing, insurance, employee benefit and other programs that are defined and negotiated by CEOC on a consolidated basis. The Company believes that participating in these consolidated programs is beneficial in comparison to the terms for similar programs that it could negotiate on a stand-alone basis.

Cash Activity With CEOC and Affiliates - The Company transfers cash in excess of its operating and regulatory needs to CEOC on a daily basis. Cash transfers from CEOC to the Company are also made based upon the needs to the Company to fund daily operations, including accounts payable and payroll, as well as capital expenditures. No interest is earned on the amount shown as due from affiliates, net, in the accompanying balance sheets.

Atlantic City Country Club 1, LLC. - The net operating costs of ACCC are allocated to the Company as well as Caesars Atlantic City, Showboat Atlantic City and Harrah's Atlantic City, affiliates of the Company. The Company was charged approximately \$143 and \$147 for the three months ended March 31, 2012 and 2011, respectively, for these services. The costs are included in other operating expenses in the accompanying statements of income.

Administrative and Other Services - The Company is charged a fee by CEOC for administrative and other services (including consulting, legal, marketing, information technology, accounting, and insurance). The Company was charged approximately \$8,064 and \$5,923 for the three months ended March 31, 2012 and 2011, respectively, for these services.

Long-term debt-due to affiliates and other as of March 31 consist of the following:

	<u>2012</u>	<u>2011</u>
8.5% Note payable to Harrah's Entertainment Ltd. ("HEL") due January 1, 2019	\$500,000	\$500,000

	<u>\$584,000</u>	<u>\$584,000</u>
Long-term debt-other:	<u>\$334</u>	<u>\$394</u>

On July 1, 2006, the four promissory notes formerly held by Caesars Entertainment Finance Corporation ("CEFC") were assigned to HEL. Neither the terms nor the amounts of debt were affected by this assignment. The only notable change resulting from the assignment was a change in the timing of interest payments. Prior to the assignment interest payments were made monthly. However, for subsequent tax years, interest payments will be remitted annually, payable in the following year. As of March 31, 2012 and 2011, accrued interest related to the four inter-company notes totaled \$207,234 and \$157,594 respectively. Since the notes are due to an affiliate, a determination of fair value is not considered meaningful.

The Company amended and restated its notes payable to HEL originally due January 1, 2009 in the amount of \$500,500. The new amended and restated note payable has the same terms and conditions and at the same interest rate but with a new maturity date of January 1, 2019.

The Company also amended and restated its notes payable to HEL originally due May 31, 2011 in the amount of \$83,500. The new amended and restated note payable has the same terms and conditions and at the same interest rate but with a new maturity date of May 31, 2021.

NOTE 12 – COMMITMENTS AND CONTINGENCIES

Litigation - The Company is involved in various claims and legal actions arising in the ordinary course of business. In the opinion of management, these matters will not have a material effect on the Company's financial position or results of operations.

Insurance Reserve - The Company is self-insured for various levels of general liability coverage. Insurance claims and reserves include the accrual of estimated settlements for known and anticipated claims. Accrued expenses and other current liabilities in the accompanying balance sheets include insurance allowances of \$215 and \$120 as of March 31, 2012 and 2011, respectively. Actual results may differ from these reserve amounts.

CRDA Investment Obligation - The New Jersey Casino Control Act provides, among other things, for an assessment of licenses equal to 1.25% of their gross gaming revenues in lieu of an investment alternative tax equal to 2.5% of gross gaming revenues. The Company may satisfy this investment obligation by investing in qualified eligible direct investments, by making qualified contributions or by depositing funds with the CRDA. Funds deposited with the CRDA may be used to purchase bonds designated by the CRDA or, under certain circumstances, may be donated to the CRDA in exchange for credits against future CRDA investment obligations. CRDA bonds have terms up to 50 years and bear interest at below-market rate.

As of March 31, CRDA related assets were as follows:

	<u>2012</u>	<u>2011</u>
CRDA Bonds - net of amortized costs	\$10,347	\$9,057
Deposit - net of reserve	15,257	15,177
Direct Investments - net of reserves	<u>2,464</u>	<u>2,909</u>
	<u>\$28,068</u>	<u>\$27,143</u>

The Company records charges to operations to reflect the estimated net realizable value of its CRDA investment. Charges to operations were \$877 and \$469 for the three months ended March 31, 2012 and 2011, respectively, and is included in CRDA (income) expense, in the statements of income.

The funds on deposits are held in an interest-bearing account by the CRDA. Initial obligation deposits are marked down by approximately 33% to represent their fair value and eventual expected conversion into bonds by the CRDA. Once CRDA Bonds are issued we have concluded that the bonds are held-to-maturity since the Company has the ability and the intent to hold these bonds to maturity and under the CRDA, they are not permitted to do otherwise. As such the CRDA Bonds are measured at amortized cost. As there is no market for the CRDA Bonds, its fair value could only be determined based on unobservable inputs. Such inputs are limited to the historical carrying value of the CRDA Bonds that are reduced, consistent with industry practice, by 1/3 of their face value at the time of issuance to represent fair value. The Company accretes such discount over the remaining life of the bonds.

After the initial determination of fair value, the Company will analyze the recoverability of the CRDA Bonds on a quarterly basis and its affect on reported amount based upon the ability and likelihood of bonds to be repaid. When considering recoverability of the CRDA Bonds, the Company considers the relative credit-worthiness of each bondholder, historical collection

experience and other information received from the CRDA. If indications exist that the amount expected to be recovered is less than its carrying value, the asset will be written down to its expected realizable amount.

All the Atlantic City casino properties (the "AC Industry") and the CRDA entered into an agreement with the New Jersey Sports & Exposition Authority (the "NJSEA") to provide funding to subsidize New Jersey's horseracing industry. This agreement expired on January 1, 2009. The agreement provided that in exchange for funding, the NJSEA and the three active New Jersey racetracks would not conduct any casino gaming at the racetracks prior to January 1, 2009. As part of the agreement, the AC Industry provided \$34,000 over a four year period to the NJSEA and deposited another \$62,000 into the Casino Expansion Fund (managed by the CRDA). The Company's obligation was equal to its fair-share of AC Industry casino revenues, and the Company is eligible to receive funds deposited as a result of this obligation from the Casino Expansion Fund for qualified construction expenditures. The Company has until June 30, 2014 to submit an application to exhaust its share of the Casino Expansion Fund. Any funds not transferred out of the Casino Expansion Fund by the required date will be transferred to funds on deposit with the CRDA pursuant to its ongoing investment obligations.

In August 2008, the AC Industry entered into a new agreement with the NJSEA that will provide \$90 million in funding to subsidize New Jersey's horseracing industry. The funding was provided in installments through 2011. In exchange for this funding, the NJSEA and the three active New Jersey racetracks will not conduct any casino gaming at the racetracks prior to December 31, 2011. The Company paid \$11,228, equal to its fair-share of AC Industry casino revenues.

All the Atlantic City casino properties and the CRDA entered into an agreement with the Atlantic City Alliance (the "ACA") to provide funding to subsidize Atlantic City casino marketing. This agreement was signed on November 2, 2011 and is set to expire on December 31, 2016. The agreement provides that in exchange for funding, the ACA will create and implement a marketing plan for the AC Industry. As part of the agreement, the AC Industry provided an initial deposit of \$5,000 in December 2011 and will continue to pay \$30,000 annually for the next five years. The Company paid \$855 in the first quarter of 2012. The Company's obligation for its portion of future payments is estimated at \$16,251, equal to its fair-share of AC Industry casino revenues.
