NOTES TO FINANCIAL STATEMENTS
(Unaudited)
(All dollar amounts in thousands)

NOTE 1 – ORGANIZATION AND BASIS OF PRESENTATION

The accompanying financial statements include the accounts of Bally’s Park Place, Inc., a New Jersey corporation (the “Company”), an indirect, wholly owned subsidiary of Caesars Operating Company, Inc. (“CEOC”) which is a direct wholly owned subsidiary of Caesars Entertainment, Inc. (“Caesars”). The Company owns and operates the casino hotel resort in Atlantic City, New Jersey known as “Bally’s Atlantic City.”

The Company operates in one industry segment and all significant revenues arise from its casino and supporting hotel operations. The Company is licensed to operate the facility by the New Jersey Division of Gaming Enforcement, (the “DGE”) and is subject to rules and regulations established by the DGE. The Company’s license is subject to resubmission every five years.

CEOC Bankruptcy Petition - On January 15, 2015, CEOC, and a substantial majority of their wholly owned subsidiaries, including the Company, filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Northern District of Illinois (the “Bankruptcy Court”). During the Chapter 11 Cases, CEOC expects to operate their businesses as “debtors-in-possession” under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code. Certain holders of CEOC second lien notes filed an involuntary Chapter 11 petition against us in the United States Bankruptcy Court for the District of Delaware on January 12, 2015. On January 28, 2015, the Delaware Court ordered that the involuntary petition and related transactions be transferred to the Bankruptcy Court.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation - The Companies financial statements are prepared in accordance with accounting principles generally accepted in the United States ("GAAP"), which require the use of estimates and assumptions that affect the reported amounts of assets, liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting periods. Management believes the accounting estimates are appropriate and reasonably stated; however, due to the inherent uncertainties in making these estimates, actual amounts could differ.

Principles of Consolidation - The accompanying consolidated financial statement schedules include the account balances of the Company and its wholly owned subsidiaries. As a result, all material intercompany transactions and balances have been eliminated in consolidation.

Cash and Cash Equivalents – Cash equivalents are highly liquid investments with original maturities of three months or less from the date of purchase and are stated at the lower of cost or market value.

Allowance for Doubtful Accounts - The Company reserves an estimated amount for receivables that may not be collected. The methodology for estimating the allowance includes using specific reserves and applying various percentages to aged receivables. Historical collection rates are considered, as are customer relationships, in determining specific allowances. As with many

estimates management must make judgments about potential actions by third parties in establishing and evaluating the allowance for doubtful accounts.

Inventories - Inventories, which consist primarily of food, beverage and operating supplies, are stated at the lower of average cost or market value.

Long-Lived Assets - The Companies have significant capital invested in long-lived assets, and judgments are made in determining the estimated useful lives of assets and salvage values and if or when an asset (or asset group) has been impaired. The accuracy of these estimates affects the amount of depreciation and amortization expense recognized in the Companies’ financial results and whether the Companies have a gain or loss on the disposal of an asset. The Companies assign lives to their assets based on their standard policy, which is established by management as representative of the useful life of each category of asset.

The Companies review the carrying value of their long-lived assets whenever events and circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. The Companies typically estimate their fair value of assets starting with a "Replacement Cost New" approach and then deducting appropriate amounts for both functional and economic obsolescence to arrive at fair value estimates. Other factors considered by management in performing this assessment may include current operating results, trends, prospects, and third-party appraisals, as well as the effect of demand, competition, and other economic, legal, and regulatory factors. In estimating expected future cash flows for determining whether an asset is impaired, assets are grouped at the lowest level of identifiable cash flows, which, for the Companies, is the individual property. These analyses are sensitive to management assumptions and the estimates of the obsolescence factors, and changes in the assumptions and estimates, could have a material impact on the analysis and the supplemental consolidated financial statements schedules.

Additions to property and equipment are stated at cost. The Companies capitalize the costs of improvements that extend the life of the asset. The Companies expense maintenance and repair costs as incurred. Gains or losses on the disposition of property and equipment are recognized in the period of disposal. Interest expense is capitalized on internally constructed assets at the applicable weighted-average borrowing rates of interest. Capitalization of interest ceases when the project is substantially complete or construction activity is suspended for more than a brief period of time.

Depreciation is calculated using the straight-line method over the shorter of the estimated useful life of the asset or the related lease as follows:

Useful Lives

Acquisition

In December 2013, Caesars agreed to acquire the non-gaming assets, including physical property, of New Jersey's Atlantic Club Casino and Hotel in a bankruptcy auction. In December 2013, Caesars paid \$4,000 into an escrow account, included in prepayments and other current assets of the accompanying supplemental consolidating balance sheet schedule for Bally's Atlantic City, pursuant to the agreement to acquire the assets. Subsequent to December 2013, Caesars formed BPP Providence Acquisition Company, LLC, a wholly owned subsidiary of Bally's Atlantic City, in order to hold the acquired assets. In January 2014, Caesars paid \$10,900 to close the acquisition and later sold the Atlantic Club to TJM Properties, LLC in May 2014.

Dispositions

In October 2013, Caesars agreed to sell The Claridge Tower (the "Claridge") to TJM Properties, LLC in exchange for cash consideration of \$12,500. The Claridge is a hotel facility, owned by and adjacent to Bally's Atlantic City. Prior to the sale, Bally's Atlantic City recognized an impairment of \$25,330 reflected in tangible and intangible asset impairments of Bally's Atlantic City's accompanying supplemental consolidating balance sheet schedule. In February 2014, the sale closed at which Caesars received \$13,300, inclusive of property tax overpayments of \$800 and net of customary closing costs.

Investments in Subsidiaries - The Company had an investment in Atlantic City Country Club 1, LLC ("ACCC") a wholly owned subsidiary of the Company. It is reflected in the accompanying financial statements using the equity method. In April 2014, Caesars sold the ACCC.

Impairment of Intangible Assets - Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants in the principle market or, if none exists, the most advantageous market, for the specific asset or liability at the measurement date (referred to as the "exit price"). Fair value is a market-based measurement that should be determined based upon assumptions that market participants would use in pricing an asset or liability, including consideration of nonperformance risk.

We assess the inputs used to measure fair value using the three-tier hierarchy promulgated under GAAP. This hierarchy indicates the extent to which inputs used in measuring fair value are observable in the market.

Level 1: Inputs include quoted prices in active markets for identical assets or liabilities that are accessible at the measurement date.;

Level 2: Inputs other than quoted prices included in Level 1 that are observable either directly or indirectly, including quoted prices for similar assets in active markets, quoted prices from identical or similar assets in inactive markets, and observable inputs such as interest rates and yield curves.;

Level 3: Inputs that are significant to the measurement of fair value that are not observable in the market and include management's judgments about assumptions market participants would use in pricing the asset or liability (including assumptions about risk).

Our assessment of goodwill and other intangible assets for impairment includes an assessment using various Level 2 (EBITDA multiples and discount rate) and Level 3 (forecasted cash flows) inputs.

Fair Value of Financial Instruments - The fair value of a financial instrument is the amount at which the instrument could be exchanged in a current transaction between willing parties. The carrying amount of receivables and all current liabilities approximates fair value due to their short-term nature. After giving effect to their allowances, the Casino Reinvestment Development Authority (“CRDA”) bonds and deposits approximately reflect their fair value based upon their below-market interest rates.

Revenue Recognition — Casino revenues are measured by the aggregate net difference between gaming wins and losses, with liabilities recognized for funds deposited by customers before gaming play occurs and for chips in the customers’ possession. Food and beverage, rooms, and other operating revenues are recognized when services are performed. Advance deposits on rooms and advance ticket sales are recorded as customer deposits until services are provided to the customer. Sales taxes and other taxes collected from customers on behalf of governmental authorities are accounted for on a net basis and are not included in net revenues or operating expenses.

Casino Promotional Allowances - The retail value of accommodations, food and beverage and other services furnished to casino guests without charge is included in gross revenue and then deducted as promotional allowances. Also included is the value of the coupons redeemed for cash at the property. The estimated costs of providing such complimentary services are classified as casino expenses in the accompanying statements of income. These costs consisted of the following as of June 30:

| | <u>2015</u> | <u>2014</u> |
|----------------------------|-----------------|-----------------|
| Rooms | \$4,456 | \$4,642 |
| Food and Beverage | 14,406 | 9,966 |
| Other | 1,670 | 539 |
| Bus Program Cash | 87 | 27 |
| Promotional Gaming Credits | 12,217 | 16,085 |
| Other Cash Complimentaries | 221 | 1,748 |
| | <u>\$33,057</u> | <u>\$33,007</u> |

Total Rewards Program Liability - The Company’s customer loyalty program, Total Rewards, offers incentives to customers who gamble at certain of affiliated casinos throughout the United States. Under the program, customers are able to accumulate, or bank, reward credits over time that they may redeem at their discretion under the terms of the program. The reward credit balance will be forfeited if the customer does not earn a reward credit over the prior six-month period. As a result of the ability of the customer to bank the reward credits, the expense of reward credits is accrued after consideration of estimated forfeitures (referred to as “breakage”), as they are earned. The value of the cost to provide reward credits is expensed as the reward credits are earned and is included in casino expense in the accompanying statements of operations. To arrive at the estimated cost associated with reward credits, estimates and assumptions are made regarding incremental marginal

costs of the benefits, breakage rates and the mix of goods and services for which reward credits will be redeemed. The Company uses historical data to assist in the determination of estimated accruals. At June 30, 2015 and 2014, the accrued balance for the estimated cost of Total Rewards credit redemptions was \$1,996 and \$2,216, respectively.

In addition to reward credits, the Company's customers can earn points based on play that are redeemable in Non Negotiable Reel Rewards ("NNRR"). The Company accrues the costs of NNRR points, after consideration of estimated breakage, as they are earned. The cost is recorded as contra-revenue and included in casino promotional allowances in the accompanying statements of income. At June 30, 2015 and 2014, the liability related to the outstanding NNRR points, which is based on historical redemption activity, was approximately \$394 and \$461, respectively.

Gaming Tax — The Company remits weekly to the NJ Division of Taxation a tax equal to eight percent of the gross gaming revenue, as defined. Gaming taxes paid to the NJ Division of Taxation for the six months ended June 30, 2015 and 2014, which are included in cost of sales in the accompanying statements of income, were approximately \$7,830 and \$8,380, respectively.

City of Atlantic City Real Property Tax Appeals - Property Tax – In 2014 and 2015, the Company settled with the City with respect to their challenges to the real estate tax assessment for prior years. The City approved refunds/credits of prior year's property taxes of 2014 and 2015 in the amount of \$1,171 and \$2,088. The credits were recorded in general, administrative and other expense in the accompanying Statements of Income. In addition, the 2014 and 2015 assessments were reduced by approximately \$230 million and \$62 million, respectively. During 2014, the city increased the property tax rate by approximately 32%. In July 2015, the Company received third quarter estimated property tax invoices; however, the city does not have a resolution on what the final tax rate will be as of the date of this submission.

Income Taxes - The Company is included in the consolidated federal tax return of Caesars and files a separate New Jersey tax return. The provision for federal income taxes is computed based on the statutory federal rate as if the Company had filed a separate income tax return. The provision for state taxes is based on the statutory New Jersey tax.

Deferred tax assets and liabilities represent the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of a change in existing tax rates is recognized as an increase or decrease to the tax provision in the period that includes the enactment date. The Company follows the provisions of *ASC 740- Income Taxes*. The Company recognizes interest and penalties accrued related to unrecognized tax benefits in income tax expense.

Use of estimates - The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenue

and expenses reported during the periods. Actual results could differ from such estimates and assumptions.

Internet Gaming - Caesars Interactive Entertainment New Jersey, LLC as the affiliate of Bally's Park Place, Inc. was issued an internet gaming permit on November 20, 2013 to conduct real money online gaming in the State of New Jersey. All real money online gaming is reported in the financial statements of Caesars Interactive Entertainment New Jersey, LLC. Effective November 20, 2014 the Company does not have an internet gaming permit.

Seasonal factors - The Company's operations are subject to seasonal factors and, therefore, the results of operations of the six months ended June 30, 2015 are not necessarily indicative of the results of operations for the full year.

Omission of Disclosures - In accordance with the Financial Reporting guidelines provided by the Division of Gaming Enforcement, the Company has elected not to include certain disclosures, which have not significantly changed since filing the most recent Annual Report. Accordingly, the following disclosures have been omitted: Future Lease Obligations, Employee Benefits and certain Income Tax disclosures.

NOTE 3 – RELATED PARTY TRANSACTIONS

The Company participates with CEOC and its other subsidiaries in marketing, purchasing, insurance, employee benefit and other programs that are defined and negotiated by CEOC on a consolidated basis. The Company believes that participating in these consolidated programs is beneficial in comparison to the terms for similar programs that it could negotiate on a stand-alone basis.

The Company's property, assets and capital stock are pledged as collateral for certain of CEOC's outstanding debt.

Cash Activity With CEOC and Affiliates - The Company transfers cash in excess of its operating and regulatory needs to its respective parent on a daily basis. Cash transfers from the Company's parent is also made based upon the needs of the Company to fund daily operations, including accounts payable, payroll, and capital expenditures. No interest is charged on transfers made to or from the Company."

Administrative and Other Services - The Company is charged a fee by CEOC for administrative and other services (including consulting, legal, marketing, information technology, accounting, and insurance). The Company was charged approximately \$11,156 and \$14,141 for the six months ended June 30, 2015 and 2014, respectively, for these services.

Equitization of Intercompany Balances - During June 2013, the Company elected to equitize certain intercompany balances with its parent and affiliates that were previously classified as a receivable/liability. Offset to this was Additional Paid in Capital. This is separately shown on the Statement of Changes in Stockholder's Equity.

Atlantic City Country Club 1, LLC. - Atlantic City Country Club 1, LLC (ACCC) was a wholly owned subsidiary of the Company. The net operating costs of ACCC were allocated to the Company as well as Caesars Atlantic City, Showboat Atlantic City and Harrah's Atlantic City, affiliates of the Company. The Company was charged approximately \$190 for the six months ended June 30, 2014 for these services. The costs are included in other operating expenses in the accompanying statements of income. In April 2014, the Company sold the ACCC.

| | <u>\$362,680</u> | <u>\$333,754</u> |

NOTE 10- LONG-TERM DEBT-DUE TO AFFILIATES AND OTHER

Long-term debt-due to affiliates and other as of June 30 consist of the following:

| | <u>2015</u> | <u>2014</u> |
|---|------------------|------------------|
| 8.5% Note payable to Harrah's Entertainment Ltd. ("HEL") due January 1, 2019 | \$500,000 | \$500,000 |
| 8.5% Note Payable To HEL due May 31, 2021 | 33,500 | 33,500 |
| 8.5% Note Payable To HEL due May 31, 2021 | 50,000 | 50,000 |
| | <u>\$583,500</u> | <u>\$583,500</u> |
| Long-term debt-other: | <u>\$2,405</u> | <u>\$2,886</u> |

On July 1, 2006, the three promissory notes formerly held by Caesars Entertainment Finance Corporation ("CEFC") were assigned to HEL. Neither the terms nor the amounts of debt were affected by this assignment. The only notable change resulting from the assignment was a change in the timing of interest payments. Prior to the assignment interest payments were made monthly. However, for subsequent tax years, interest payments will be remitted annually, payable in the following year. As of June 30, 2015 and 2014, accrued interest related to the three inter-company notes totaled \$348,292 and \$317,493 respectively. Since the notes are due to an affiliate, a determination of fair value is not considered meaningful.

The Company amended and restated its notes payable to HEL originally due January 1, 2009 in the amount of \$500,000. The new amended and restated note payable has the same terms and conditions and at the same interest rate but with a new maturity date of January 1, 2019.

The Company also amended and restated its notes payable to HEL originally due May 31, 2011 in the amount of \$83,500. The new amended and restated note payable has the same terms and conditions and at the same interest rate but with a new maturity date of May 31, 2021.

Due to the bankruptcy, the long term debt, accrued interest and capital leases are considered liabilities subject to compromise (LSTC).

NOTE 11 - OTHER LIABILITIES

As of June 30, Other Liabilities were as follows:

| | <u>2015</u> | <u>2014</u> |
|---|--------------|--------------|
| Retirement and Other Employee benefit Plans | \$479 | \$327 |
| Deferred Tax Liability | 336 | 557 |
| | <u>\$815</u> | <u>\$884</u> |

NOTE 12 – COMMITMENTS AND CONTINGENCIES

Litigation - The Company is involved in various claims and legal actions arising in the ordinary course of business. In the opinion of management, these matters will not have a material effect on the Company's financial position or results of operations.

Insurance Reserve - The Company is self-insured for various levels of general liability coverage. Insurance claims and reserves include the accrual of estimated settlements for known and anticipated claims. Accrued expenses and other current liabilities in the accompanying balance sheets include insurance allowances of \$500 and \$400 as of June 30, 2015 and 2014. Actual results may differ from these reserve amounts. Due to the bankruptcy, the insurance reserve is considered LSTC.

CRDA Investment Obligation - The New Jersey Casino Control Act provides, among other things, for an assessment of licenses equal to 1.25% of their gross gaming revenues in lieu of an investment alternative tax equal to 2.5% of gross gaming revenues. The Company may satisfy this investment obligation by investing in qualified eligible direct investments, by making qualified contributions or by depositing funds with the CRDA. Funds deposited with the CRDA may be used to purchase bonds designated by the CRDA or, under certain circumstances, may be donated to the CRDA in exchange for credits against future CRDA investment obligations. CRDA bonds have terms up to 50 years and bear interest at below-market rate. During 2014, the Company entered into a donation credit agreement, whereby a portion of the Company's CRDA deposits were permitted to be used for non-gaming related projects.

As of June 30, CRDA related assets were as follows:

| | <u>2015</u> | <u>2014</u> |
|--------------------------------------|-----------------|-----------------|
| CRDA Bonds - net of amortized costs | \$5,602 | \$11,336 |
| Deposit - net of reserve | 7,887 | 8,808 |
| Direct Investments - net of reserves | 1,016 | 1,462 |
| | <u>\$14,505</u> | <u>\$21,606</u> |

The Company records charges to operations to reflect the estimated net realizable value of its CRDA investment. Charges to operations were \$985 and \$278 for the six months ended June 30, 2015 and 2014, respectively, and is included in CRDA (income) expense, in the statements of income.

The funds on deposits are held in an interest-bearing account by the CRDA. Initial obligation

deposits are marked down by approximately 33% to represent their fair value and eventual expected conversion into bonds by the CRDA. Once CRDA Bonds are issued we have concluded that the bonds are held-to-maturity since the Company has the ability and the intent to hold these bonds to maturity and under the CRDA, they are not permitted to do otherwise. As such the CRDA Bonds are measured at amortized cost. As there is no market for the CRDA Bonds, its fair value could only be determined based on unobservable inputs. Such inputs are limited to the historical carrying value of the CRDA Bonds that are reduced, consistent with industry practice, by 1/3 of their face value at the time of issuance to represent fair value. The Company accretes such discount over the remaining life of the bonds. Accretion for the six months ended June 30, 2015 and 2014 was \$24 and \$54, respectively, and is included in CRDA Expense in the consolidated statements of operations.

After the initial determination of fair value, the Company will analyze the recoverability of the CRDA Bonds on a quarterly basis and its affect on reported amount based upon the ability and likelihood of bonds to be repaid. When considering recoverability of the CRDA Bonds, the Company considers the relative credit-worthiness of each bondholder, historical collection experience and other information received from the CRDA. If indications exist that the amount expected to be recovered is less than its carrying value, the asset will be written down to its expected realizable amount.

All the Atlantic City casino properties and the CRDA entered into an agreement with the Atlantic City Alliance (the "ACA") to provide funding to subsidize the Atlantic City market. This agreement was signed on November 2, 2011 and is set to expire on December 31, 2016. The agreement provides that in exchange for funding, the ACA will create and implement a marketing plan for the AC Industry. As part of the agreement, the AC Industry provided an initial deposit of \$5,000 in December 2011 and will continue to pay \$30,000 annually for the next five years. The Company expense for the six months ending June 30, 2015 was \$1,401. The Company's obligation for its portion of future payments is estimated at \$5,489 equal to its fair-share of AC Industry casino revenues.

Atlantic City Conference Center - In June 2013, Caesars established, AC Conference NewCo, LLC ("NewCo") to construct and operate a new conference center (the "Project") adjacent to Harrah's Atlantic City. NewCo is a direct wholly owned subsidiary of AC Conference HoldCo, LLC, which is a direct wholly owned subsidiary of Caesars.

Also in June 2013, Caesars signed an agreement with the CRDA regarding a grant for financial assistance in the amount of \$45,000 (the "Project Grant") wherein the CRDA will provide Caesars cash to help fund the construction of the Project. Under the Project Grant, Caesars is obligated to contribute to the CRDA the following:

- \$46,200 of Atlantic City Economic Development Investment Alternative Tax Obligation balances ("Existing Credits"), of which \$1,200 represents a 2.75% administrative fee,
- \$9,500 of CRDA Credits that the CRDA will use towards the construction of the CRDA's marketplace-style retail development project (the "Donation Credits"), and
- Land parcels with an appraised value of \$7,300 on which the CRDA's Marketplace Project will be developed (the Marketplace Parcels).

The gross value of the credits and land parcels described above held by the Companies immediately prior to the transaction were as follows:

Existing Credits

| | |
|---|------------------|
| Bally's Park Place, Inc. | \$ 23,400 |
| Boardwalk Regency Corporation | 10,600 |
| Harrah's Atlantic City Holding, Inc. and Subsidiaries | 7,000 |
