**September 15, 2015**  
**NOTICE OF JOB VACANCY**  
**#15-143-LI**

An opportunity currently exists in the unclassified service within the Department of Law and Public Safety, Division of Gaming Enforcement, for interested applicants who meet the minimum job requirements specified below:

**TITLE:** Network Administrator 1  
**SALARY:** \$64,677.09 - \$92,011.89 (P26)  
**LOCATION:** Division of Gaming Enforcement  
1300 Atlantic Avenue  
Atlantic City, NJ 08401

**NUMBER OF POSITIONS AVAILABLE:** One (1)

**DUTIES:** Under direction of a supervisory official in the Technical Services Bureau, evaluates network configurations and security controls designed to protect the security of Internet gaming operations and related data. Evaluates the testing of internal controls, network diagrams, network device inventory and configurations of hardware and software. Ability to establish base line documentation for future audits and be capable of identifying potential network security vulnerabilities, identifying risks and possible avenues of attack. Ensures casino networks comply with regulations and industry standard, recommending methodologies to ensure the security and integrity of the network and associated data transmissions.

**REQUIREMENTS:**

**EDUCATION:** Graduation from an accredited college or university with a Bachelor's degree, which must include a minimum of eighteen (18) semester hour credits in mathematics and/or computer science.

**NOTE:** A Bachelor's degree in Information Systems or a related field is preferred.

**NOTE:** Applicants who do not possess the Bachelor's degree but possess the 18 semester hour credits may substitute additional experience as indicated below on a year-for-year basis with thirty (30) semester hour credits being equal to one year of experience.

**NOTE:** Evidence of formal training in Computer Science/Information Technology received at an accredited institution may be submitted with your application for evaluation by the Civil Service Commission for possible credit. These training courses will be examined to see how they compare, both in hours/content, to college courses to which they equate, sixteen (16) training hours being equal to one (1) college credit. In house training courses will not be accepted as meeting this criteria; thus, they will not be evaluated.

**EXPERIENCE:**

Three (3) years of experience in the development, implementation, and maintenance of multinetwork, multi-user Local Area Networks (LAN), Metropolitan Area Networks (MAN), and/or Wide Area Networks (WAN) environments.

**NOTE:** The following experience is preferred:

- ❖ Unix System Administration.
- ❖ Firewall and VPN Administration.
- ❖ Knowledge of system and application security threats and vulnerabilities.
- ❖ Ability to prepare reports and communicate with officials and groups with varying levels of technical expertise.

**NOTE:** Preferred skills include network administration and security experience, ethical hacking, data encryption techniques and advanced level spreadsheet commands.

**LICENSE:**

Appointees will be required to possess a driver's license valid in New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform the essential duties of the position.

**TO APPLY:** Send resume, copy of college transcript(s), and letter of interest indicating the job vacancy number before the closing date of September 30, 2015 to:
