

CRACKDOWN REPORT

NEW JERSEY DIVISION OF HIGHWAY TRAFFIC SAFETY

2011 YEAR-END STATEWIDE CRACKDOWN • DECEMBER 5, 2011 – JANUARY 2, 2012

Impaired driving causes many unnecessary deaths and injuries on New Jersey's roadways each year. In 2010 there were 168 alcohol-related fatalities in the state, meaning alcohol was a factor in 30% of all motor vehicle-related deaths. Despite the fact that alcohol-related fatalities have declined in recent years, the New Jersey Division of Highway Traffic Safety (NJDHTS), the state's law enforcement community, and traffic safety agencies recognize that impaired driving remains a serious problem.

From December 5, 2011 - January 2, 2012, NJDHTS coordinated the *Drive Sober or Get Pulled Over 2011 Year End Statewide Crackdown*. The goal of the crackdown was to mobilize all police agencies in the state during the critical end-of-year holiday period, to raise public awareness

about the dangers of impaired driving through a combination of stepped up enforcement and media activities.

NJDHTS invited all 492 police agencies in New Jersey to support the initiative with 98 receiving overtime enforcement grants in the amount of \$5,000 each. The remaining agencies were asked to support the crackdown through the use of their own resources.

To help spread the *Drive Sober or Get Pulled Over* message, a statewide press release was issued just prior to the start of the crackdown. Police departments were also asked to engage their local media through the dissemination of press releases and public service announcements.

THE RESULTS

The *Drive Sober or Get Pulled Over 2011 Year End Statewide Crackdown* resulted in 1,877 DWI arrests, down from 2,110 arrests during the 2010 year end campaign. In addition, participating police agencies issued 8,345 and 4,420 speeding and seat belt summonses, respectively. The crackdown focused on impaired driving, but as with all statewide traffic safety initiatives, motorists were again reminded of the state's commitment to proper restraint and obeying posted speed limits.

Eighty-six percent (422) of New Jersey's police agencies participated in the crackdown, which is an increase of approximately 10% from last year, when 388 participated. A number of departments reported noteworthy accomplishments during the

crackdown, including 15 agencies making 15 or more DWI arrests during the campaign. These numbers clearly point to the need for continued efforts to eradicate impaired drivers from our roadways.
