3.0 DETAILS OF PROPOSED TRANSACTIONS

3.1 General Description

The purpose of the NJIB's Transportation Financing Program is to provide financial assistance to New Jersey local government units or consortia authorized to construct, operate and maintain transportation projects. One way the NJIB fulfills its purpose is by participating with the DOT in the Transportation Financing Program. The NJIB intends to make loans to finance all or a portion of the costs of transportation projects that local government units or consortia in New Jersey are authorized to undertake and which they may lawfully finance through borrowings. The DOT may make grants to local government units from its various Local Aid grant programs for these same projects.

The Transportation Financing Program is in the beginning phase of being established. The intent is to develop the Transportation Financing Program with several components: a highly complex and sophisticated pooled program with multiple issues based on the types of borrowers to be financed in any given year, a direct loan program for the small unsophisticated borrowers, and a short-term loan program (any loans entered into by the NJIB pursuant to N.J.S.A. 58:11B-9 et seq.). A short-term loan is entered into upon a borrower's receipt of approval of a project component (such as an engineering contract or project construction contract) and matures upon completion of construction. The source of funds for short-term loans will be from the State Transportation Infrastructure Bank Fund established in the NJIB or a short-term private line of credit (e.g., a bank line of credit), a commercial paper program or other similar short-term borrowing program (the "CP Program") supported by collateral that may include a liquidity facility or such other alternative funding vehicle to be established by the NJIB. At maturity, the short-term loan is will be refinanced through a long-term loan direct loan or bond proceeds loan, funded cash on hand or NJIB bond proceeds, respectively. In the event of excess proceeds or a desire by borrowers to prepay their loans, existing long-term loans may need to be defeased upon request of the borrower and approval of the NJIB Board. When advisable, outstanding bond issues may be refunded through the issuance of refunding bonds. At times, bond issues may be necessary for large complex projects and separate from the annual pooled program.

The Transportation Financing Program's success is dependent upon the efforts and cooperation of many parties, their counsel and their financial advisors. The NJIB expects its Bond Counsel to have a key role in coordinating the efforts of all parties and to assume full responsibility for managing the bond transaction, together with drafting form loan agreements and managing all short and long-term loan closings to a successful

conclusion. Bond Counsel will be expected to work on an on-going basis with the NJIB's staff, the NJIB's financial advisor and the Attorney General's Office.

To obtain more information concerning the NJIB Transportation Financing Program, the following documents are available upon request to aid in the preparation of your firm's proposal from the person listed in Section 3.5 below:

Borrower Loans - Pursuant to N.J.S.A. 58:11B-9a.(4), all Borrowers in the Transportation Financing Program are required to pledge either a note, a bond or other obligation to each the NJIB to secure that Borrower's short-term and long-term loan payment obligations, respectively, to the NJIB.

NJIB Bonds - It is anticipated that each issue of the NJIB's bonds will consist of fixed-rate term bonds. Each issue of NJIB bonds is required to be sold by public competitive sale. The NJIB has the authority to enter into a CP Program via negotiated sale.

3.3 Participation of Other Entities

The Initial Project Lists contains lists of the prospective borrowers who may be participating in the SFY 2019 Transportation Financing Program and may be used for purposes of your conflict check. It should be noted that these lists do not include all the possible borrowers for the SFY 2019 Transportation Financing Program. 6.5 Additional Requirements for all Office of the Attorney General, Division of Law Retention Agreements

The Additional Requirements set forth in Exhibit A are material terms of any retention resulting from this RFQ.

6.6 Fees

- A. Firms should submit their proposed fee for attorneys, paralegals or other persons, such as law clerks, to be charged on an hourly basis, including the percentage discount the proposed hourly fee represents from your customary hourly fee for similar work. Bond Counsel fees do not include reimbursables, such as computer time, telephone charges, postage, travel, duplicating, etc. Reasonable expenses will be reimbursed to your firm in accordance with the Outside Counsel Guidelines. The Outside Counsel Guidelines available for review at: <http://www.nj.gov/oag/law/pdf/rfqs/oag-dol-Outside-Counsel-Guidelines.pdf>. If the fee proposals submitted by all qualified responders are in excess of those deemed reasonable by the Attorney General, a lower fee may be negotiated.
- B. Evaluation Assumptions:

The assumptions set forth in the paragraph below for the limited purpose of evaluating pricing. Given the uncertainty as to the number of projects to be approved for financing, the NJIB makes no representation as to the number of

loans to be closed or the number of bond sales or series to occur during each State Fiscal Year.

With respect to the Transportation Financing Program, the NJIB anticipates issuing one (1) or two (2) construction or short-term loans in SFY2018 and up to ten (10) short-term loans per year for the following two years. In the first few years of the Transportation Financing Program, the NJIB intends to utilize cash-on-hand in lieu of bond proceeds as the source of funds for projects eligible to receive Transportation Financing Program long-term loans. It is anticipated that once the Transportation Financing Program reaches a critical size, the majority of long-term loans will be made through a combination of the funds of the State Transportation Infrastructure Bank Fund and the issuance of bonds. Again, please note that these bond closings will relate to a single sale consisting of one or more series or divided into multiple financings. Multiple financings may occur within a single fiscal year.

[The remainder of this page is intentionally left blank.]

C. Indicate by year your proposed upper limit (“cap”) on the amount of the fees for legal services:

	SFY 2019	SFY 2020	SFY 2021
1. Base fee cap for each short-term loan issued (assume 10 borrowers)	\$	\$	\$
2. Fee cap for each New Issue Bond sale	\$	\$	\$
3. Base fee cap for additional simultaneous New Issue Bond Sale			
4. Base fee cap for each borrower within a bond pooled financing (assume 10 borrowers)	\$	\$	\$
5. Incremental fee cap for each borrower identified in #3 above in excess of 10 borrowers (i.e. borrowers 11 and above)	\$	\$	\$
6. Base fee cap for additional bond sales for large borrowers	\$	\$	\$
7. Fee cap for legal services relevant to pooled financings and short-term loans	\$	\$	\$
8. Fee cap for each defeasance (assume 1 defeasance)	\$	\$	\$
9. Fee cap for each direct loan (assume 1 borrower)	\$	\$	\$
10. Fee cap for each CP Program closing	\$	\$	\$
11. Fee cap for each refunding issue	\$	\$	\$

Please understand that any deviation from the fee caps established for the scope of services described in Section 5.0 of this RFQ will be considered only as the result of unforeseeable substantial changes in the structure or circumstances of the transaction as agreed upon and approved by the NJIB and the Attorney General or his/her designee.

9.1 No endorsement: Designation as Bond Counsel does not constitute an endorsement by the State of New Jersey, the Attorney General nor the Department of Law and Public Safety.

9.2 Effect of RFQ response: A response to this RFQ will not bind or otherwise obligate the State of New Jersey to engage the responding firm as Bond Counsel.

9.3 Attorney General's Authority Not Constrained: Nothing in this RFQ is intended to limit or constrain the discretion of the Attorney General in exercising any authority, duty, prerogative or power established or recognized by the State Constitution, statutes, Executive Orders, regulations, or case law.

9.4 Designation as Bond Counsel: Selection of a firm as Bond Counsel will not bind or otherwise obligate the State to retain the listed firm for legal services. Selection of a firm as Bond Counsel will not guarantee any other form of employment or engagement.

10.0 SPECIAL COUNSEL DESIGNATIONS AND RETAINER AGREEMENTS

A firm selected pursuant to this RFQ with the approval of the Attorney General and the Governor, will be the subject of a special counsel designation, pursuant to N.J.S.A. 52:17A-13.

10.1 Special Counsel Designation. A firm selected pursuant to this RFQ with the approval of the Attorney General and the Governor, will be the subject of a special counsel designation, pursuant to N.J.S.A. 52:17A-13. A firm may not represent the NJIB unless it is given a special counsel designation. A special counsel designation, however, is not a retention for a specific matter and does not entitle a firm to be retained for a specific matter. The terms and conditions set forth in this RFQ shall be the terms and conditions of the special counsel designation.

11.0 **REMOVAL**

The Attorney General determines, in his sole discretion, may remove the selected law firm from the engagement as Bond Counsel, after written notice is provided to the law firm. Other than this written notice, nothing in this RFQ creates any rights, entitlements, privileges, or presumptions in favor of a law firm that would constrain the Attorney General's authority to remove a firm from being Bond Counsel.

II. Special Counsel Certification

A. Source Disclosure Certification

Special Counsel's execution of these Additional Terms to the Retention Agreement will confirm that Special Counsel agrees, in accordance with Executive Order 129 (2004) and N.J.S.A. 52:34-13.2 (P.L.2005, c. 92), that all services performed for the Retention Agreement shall be performed within the United States. In the event that all services performed for the Retention Agreement shall NOT be performed within the United States, Special Counsel shall send the Deputy Attorney General who executes the Retention Agreement a letter that states with specificity the reasons why the services cannot be so performed. Any such letter shall require review and approval pursuant to N.J.S.A. 52:34-14.2 prior to execution of this Retention Agreement or the delivery of the services which will not be performed within the US.

III. The Special Counsel acknowledges that the Retention Agreement is subject to the following terms and conditions:

A. Breach of Requirements of Chapter 51 and Executive Order 117 (2008) (Also referred to as "Pay to Play Restrictions," N.J.S.A. 19:44A-20.13 to -20.25, or Executive Order 134(2004))

In order to safeguard the integrity of State government procurement by imposing restrictions to insulate the negotiation and award of State contracts, including retention agreements, from political contributions that pose the risk of improper influence, purchase of access, or the appearance thereof, the Legislature enacted P.L. 2005, c.51 (codified at N.J.S.A. 19:44A-20.13 to -20.25) (Chapter 51), on March 22, 2005, effective retroactive to October 15, 2004, superseding the terms of Executive Order 134(2004). In addition, on September 24, 2008, Executive Order 117 was issued and made effective on November 15, 2008 (EO 117) which set forth additional limitations on the ability of executive branch agencies to contract with business entities that have made or solicited certain contributions.

Thus, pursuant to the requirements of Chapter 51 and EO 117, it shall be a material breach of the terms of the Retention Agreement for Special Counsel to do any of the following during the term of the Retention Agreement:

1. make or solicit a contribution in violation of the Chapter 51 or EO 117;
2. knowingly conceal or misrepresent a contribution given or received;
3. make or solicit contributions through intermediaries for the purpose of concealing or misrepresenting the source of the contribution;
4. make or solicit any contribution on the condition or with the agreement that it will be contributed to a campaign committee or any candidate of holder of the public office of Governor, or of Lieutenant Governor, or to any State, county or municipal party committee, or any legislative leadership committee;
5. engage or employ a lobbyist or Special Counsel with the intent or understanding that such lobbyist or Special Counsel would make or solicit any contribution, which if made or solicited by the business entity itself, would subject that entity to the restrictions of Chapter 51 or EO117;
6. fund contributions made by third parties, including Special Counsels, attorneys, family members, and employees;

7. engage in any exchange of contributions to circumvent the intent of the Chapter 51 or EO 117;or
8. directly or indirectly through or by any other person or means, do any act which would subject that entity to the restrictions of the Chapter 51 or EO 117.

B. New Jersey Conflict of Interest Law

The New Jersey Conflict of Interest Law, N.J.S.A. 52:13D-12 et seq. and Executive Order 189 (1988), prohibit certain actions by persons or entities which provide goods or services to any State Agency. Specifically:

1. No Special Counsel shall pay, offer to pay, or agree to pay, either directly or indirectly, any fee, commission, compensation, gift, gratuity, or other thing of value of any kind to any State officer or employee or special State officer or employee, as defined by N.J.S.A. 52:13D-13b. and e., in the Department of the Treasury or any other agency with which such Special Counsel transacts or offers or proposes to transact business, or to any member of the immediate family, as defined by N.J.S.A. 52:13D-13i., of any such officer or employee, or any partnership, firm, or corporation with which they are employed or associated, or in which such officer or employee has an interest within the meaning of N.J.S.A. 52:13D-13g.
2. The solicitation of any fee, commission, compensation, gift, gratuity or other thing of value by any State officer or employee or special State officer or employee from any Special Counsel shall be reported in writing forthwith by Special Counsel to the Attorney General and the Executive Commission on Ethical Standards.
3. No Special Counsel may, directly or indirectly, undertake any private business, commercial or entrepreneurial relationship with, whether or not pursuant to employment, contract or other agreement, express or implied, or sell any interest in such Special Counsel to, any State officer or employee or special State officer or employee having any duties or responsibilities in connection with the purchase, acquisition or sale of any property or services by or to any State agency or any instrumentality thereof, or with any person, firm or entity with which he is employed or associated or in which he has an interest within the meaning of N.J.S.A. 52:13D-13g. Any relationships subject to this provision shall be reported in writing forthwith to the Executive Commission on Ethical Standards, which may grant a waiver of this restriction upon application of the State officer or employee or special State officer or employee upon a finding that the present or proposed relationship does not present the potential, actuality or appearance of a conflict of interest.
4. No Special Counsel shall influence, or attempt to influence or cause to be influenced, any State officer or employee or special State officer or employee in his official capacity in any manner which might tend to impair the objectivity or independence of judgment of said officer or employee.
5. No Special Counsel shall cause or influence, or attempt to cause or influence, any State officer or employee or special State officer or employee to use, or attempt to use, his official position to secure unwarranted privileges or advantages for the Special Counsel or any other person.
6. The provisions cited above in paragraph H(I). through H(V) shall not be construed to prohibit a State officer or employee or special State officer or employee from receiving gifts from or contracting with Special Counsel under the same terms and conditions as are offered or made available to members of the general public subject to any guidelines the Executive Commission on Ethical Standards may promulgate.

C. Obligation to Maintain Records

Special Counsel shall maintain all records for products and/or services delivered against the contract for a period of five (5) years from the date of final payment under the Retention Agreement unless otherwise specified in the Retention Agreement. Such records shall be made available to the State, including the Comptroller, for audit and review upon request.

2. Special Counsel and its subcontractor, if any, agrees to inform in writing its appropriate recruitment agencies including, but not limited to, employment agencies, placement bureaus, colleges, universities, and labor unions, that it does not discriminate on the basis of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.
3. Special Counsel and its subcontractor, if any, agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the State of New Jersey and as established by applicable Federal law and applicable Federal court decisions.
