The number displayed here is your browser version.

NEW JERSEY STATE POLICE UNIFORM CRIME REPORTING CRIME TREND REPORTS ERROR MESSAGE

PAGE CANNOT BE DISPLAYED ERROR MESSAGE WHEN YOU CLICK ON CRIME TREND REPORT WITHIN THE eUCR APPLICATION.

This error message is received when you are attempting to view the Crime Trend Reports. This error message informs you that you do not have an ActiveX downloaded on your computer to view the Crime Trend Reports. Crime Trend Reports are developed using Crystal Reports.

ActiveX is an independent objects, modules or applets that can be accessed from any Windows application. ActiveX are small programs that run within Web browsers. ActiveX controls that work within Internet Explorer are usually associated with a certain file or media type. This way Internet Explorer knows which control to launch – PDF, Crystal Reports, Flash, Windows Media Player – for each type of file.

To view these reports one needs to download an ActiveX from the link within the eUCR Message Board.

- ✓ To download Active X – click on the “HERE” link and do not close or “x” out of the internet explorer until you see the below message displayed as

below. You may have to click on the link again to download the ActiveX object as it transmits from State Police in packets and it is safe.

**YOU HAVE SUCCESSFULLY DOWNLOADED AN
ACTIVEX CONTROL TO RUN CRYSTAL REPORTS.
PLEASE CLOSE THE BROWSER AND CONTINUE WITH
YOUR APPLICATION.**

- ✓ After downloading it successfully you must close the browser and login again for the changes to be effective. Now you should be able to open and view the Crime Trend Reports. Ensure for IE version higher than 8.0, IE is set up in a Compatibility View, otherwise you will not be able to view the reports.

16-NOV-12 *****REMINDER PLEASE MAIL ALL DOMESTIC VIOLENCE DV1) AND BIAS (UCR-BI No 1) INCIDENT FORMS UTILIZING UCR ADDRESSED ENVELOPES TO THE UNIFORM CRIME REPORTING UNIT. In addition, mandatory statewide carjacking data collection program. Accessibility to this program is provided through the New Jersey Law Enforcement Telecommunications System (NJLETS) File 19 and 20. The database for this program is located at the State Police Division Headquarters, Identification and Information Technology Section, Uniform Crime Reporting Unit, West Trenton, New Jersey. This carjacking data collection program identifies geographic problem areas; profiles of carjacking locations; descriptions of vehicles being carjacked; age, sex, and race of victims and offenders; types of weapons used; additional crimes committed; and estimates regarding the value of vehicles stolen. The Attorney General has mandated, through Executive Directive 1993-1 that every law enforcement agency notify the Uniform Crime Reporting Unit of all reported carjacking incidents, whether actual or attempted. Notification must be done through NJLETS, as soon as possible, not to exceed more than twenty-four hours from the time the incident is reported.

If you are still having difficulty after following the above troubleshooting steps please contact eUCR at 609-882-2000 Ext. 2917.
