**Regarding N.J.A.C. 13:70-8.18 Weights &  
N.J.A.C. 13:70-9.12 Safety Vests Requirements/Safety Helmets**

Effective April 18, 2011, N.J.A.C. 13:70-8.18 WEIGHTS and 13:70-9.12 Safety helmet were amended, imposing new standards in these areas.

In order to allow for a transition to these new standards, and allow all impacted industry participants to achieve compliance, any non-compliance will be subject to a warning for the first violation until May 23, 2011. However, where such non-compliance also includes non-compliance with the safety vest and helmet requirements in place prior to the rule amendments, a fine or license suspension shall be imposed.

On May 24, 2011, and thereafter, full compliance with the amended rules will be required and, in the event of non-compliance, a fine, license suspension or such other penalty permitted by Racing Commission rules may be imposed.
