Chairman Clyne motioned to approve the 2016 amended Meadowlands' thoroughbred dates. Commissioner Abbatiello seconded the motion and all Commissioners voted yes. There was no opposition from the New Jersey T.H.A. concerning the amended dates.

Executive Director Zanzuccki stated that staff recommends approval of this new wager subject to conditions contained in Schedule G and other conditions that will be disclosed in the approval letter, including notification to the wagering public concerning the specifics of the new wager. Chairman Clyne made a motion to approve the request of the New Meadowlands Racetrack to offer the Survivor Wager. Commissioner Arnone seconded the motion and all Commissioners voted yes.

CONSIDER THE LETTER AGREEMENT OF THE NEW JERSEY SPORTS AND EXPOSITION AUTHORITY, DARBY DEVELOPMENT, LLC AND ODS TECHNOLOGIES, L.P. d/b/a TVG NETWORK REGARDING ACH PROCESSING FOR ACCOUNT WAGERING

The Executive Director stated that this matter arose as a result of a situation concerning the requirements of Commission statutes that a patron must deposit money into his or her account before he or she can place a wager in connection with account and exchange wagering. It was brought to the Commission's attention that this requirement was not being met in that ACH transfers were taking approximately five days before the money deposit actually cleared the banking process but TVG was crediting wagering accounts upon receiving notice of an ACH transfer.

The Executive Director indicated that as a result of this action, discussions occurred between TVG, the New Jersey Sports and Exposition Authority and Darby Development concerning corrective action needed to be taken in order for the deposit process to be consistent with existing statutes and regulations. As a result of those discussions, letter agreements have been filed with the Commission and are now being considered for approval. The agreements include that TVG will guarantee all ACH deposits. The Executive Director stated that after consultation with counsel, staff is recommending approval as the letter agreement will, therefore, ensure compliance with the mandates that the monies actually be available within the wagering account.

The Executive Director indicated there was one area of concern regarding deposit and wagering limitations designed to aid in the prevention of compulsive gambling. Jeff Lowich, Key Account Manager for TVG, confirmed and explained the restrictions contained in the Internal Control Procedures concerning deposits and wagers. Mr. Lowich also indicated that TVG customer service representatives are highly trained to recognize and handle problem gamblers.

Chairman Clyne motioned to approve the letter agreement of the New Jersey Sports and Exposition Authority, Darby Development, LLC and TVG Network regarding ACH processing for account wagering. Commissioner Arnone seconded the motion and all Commissioners voted yes.

**CONSIDER THE LETTER AGREEMENT OF THE NEW JERSEY SPORTS AND EXPOSITION AUTHORITY, DARBY DEVELOPMENT, LLC AND BETFAIR US LLC REGARDING ACH PROCESSING FOR EXCHANGE WAGERING**

Executive Director Zanzuccki stated that the same letter agreement that was previously considered by the Commission regarding account wagering, has been submitted by Betfair US LLC and in this letter agreement, Betfair is guaranteeing the ACH deposits as they are the computer platform provider for the exchange wagering system. It was confirmed by Jeff Lowich, on behalf of Betfair, that the same restrictions concerning deposits and wagers apply to exchange wagering.

Chairman Clyne motioned to approve the letter agreement of the New Jersey Sports and Exposition Authority, Darby Development, LLC and Betfair US LLC regarding ACH processing for account wagering. Commissioner Keegan seconded the motion and all Commissioners voted yes.
