**N.J.A.C. 13:70-12**

Petitioner: Michael Campbell, Executive Director, Thoroughbred Breeders' Association of New Jersey.

Take notice that on July 7, 2014, the New Jersey Racing Commission received a petition for rulemaking from Michael Campbell, Executive Director of the Thoroughbred Breeders' Association of New Jersey seeking an amendment to N.J.A.C. 13:70-12, Claiming, which would, inter alia, add 10 percent to the claiming price of each New Jersey-bred horse that starts in a race at a New Jersey racetrack to be paid to the Thoroughbred Breeders' Association for use in the payment of the New Jersey-bred incentive awards program. A notice of receipt of petition for rulemaking was published in the New Jersey Register on Monday, August 4, 2014, at 46 N.J.R. 1754(a).

Take further notice that on September 17, 2014, the New Jersey Racing Commission duly considered the petition pursuant to law and took final action. At that time, the New Jersey Racing Commission voted to deny the petition because the Commission does not have the legal authority to allocate racing-related revenues as proposed in the petition.
