## **DHS Consortium: Sport and Special Event Evacuation Training and Exercise**

**September 27 – 28, 2016 from 8:00 a.m. to 4:00 p.m.**

The New Jersey Office of Homeland Security and Preparedness and the New Jersey State Athletic Control Board will be sponsoring a two-day training program titled: "Sport and Special Event Evacuation Training and Exercise" (MGT 412). The program will be instructed by The Texas Engineering Extension Service (TEEX), a member of the National Domestic Preparedness Consortium (NDPC).

The training will be held at the **Burlington County Emergency Services Training Center**, located at **53 Academy Drive, Westampton, NJ 08060**. There is **NO COST** to participate.

### **Description**

The Sport and Special Event Evacuation Training and Exercise Course will prepare sport venue managers to enhance evacuation planning capabilities and assist emergency responders in implementing flexible and scalable evacuation activities. The highly-innovative course builds multi-agency collaboration by delivering critical evacuation planning information utilizing TOP Venue, a computerized modeling simulation and visualization training system. Participants will have the opportunity to conduct evacuation analysis of a sport venue under a wide range of conditions. Course will include plans and policies specific to respective sport venues. This course is applicable to all sport venues, regardless of venue capacity.

### **Registration**

All participants must have a FEMA Student Identification Number (SID). To create, retrieve or for additional information, visit: <https://cdp.dhs.gov/femasid/>

Spaces are limited and preregistration is required. For your convenience, an online registration is available at <https://www.surveymonkey.com/r/NJSABTEEXTE>.
