

*For your reference, the below list provides names of Cultural Resource Consultants. This list may be utilized to identify consultants to perform Cultural Resource Surveys necessary for Pinelands Commission development applications. The list does not constitute Pinelands Commission recommendation or approval of the listed consultants.*

August 10, 2009

## **ARCHAEOLOGICAL CONSULTANTS**

The Pinelands Commission provides lists of preservation consultants for your information. These lists do not imply recommendation of certification. Before selecting a consultant we encourage you to review previous work and verify their qualifications.

Project applicants and sponsors are free to engage other qualified professional archaeologists. (see Code of General Regulations, Professional Qualifications Standards, 36 C.F.R. Part 61. Also cited in Federal Register Vol. 48, No. 190, September 29, 1983, p. 44738).

## HISTORIC ARCHITECTS

The Pinelands Commission provides lists of preservation consultants for your information. These lists do not imply recommendation of certification

The architects, partnerships, and firms on this list appear to meet minimum National park Service (NPS) professional qualification standards for historic architecture (36CFR 61). Inclusion on this list does not, however, imply that the listed partnerships and/or firms are eligible to practice architecture in the State of New Jersey in accordance with New Jersey State statutes and regulations promulgated by the State Board of Architects, Division of Consumer Affairs, New Jersey Department of Law and Public Safety. Further information on architects eligible to practice in New Jersey may be obtained from the State board of Architects, 123 Halsey Street, Newark NJ 07102, (973) 504-6385.
