EXIT

# Habitat protection & enhancement

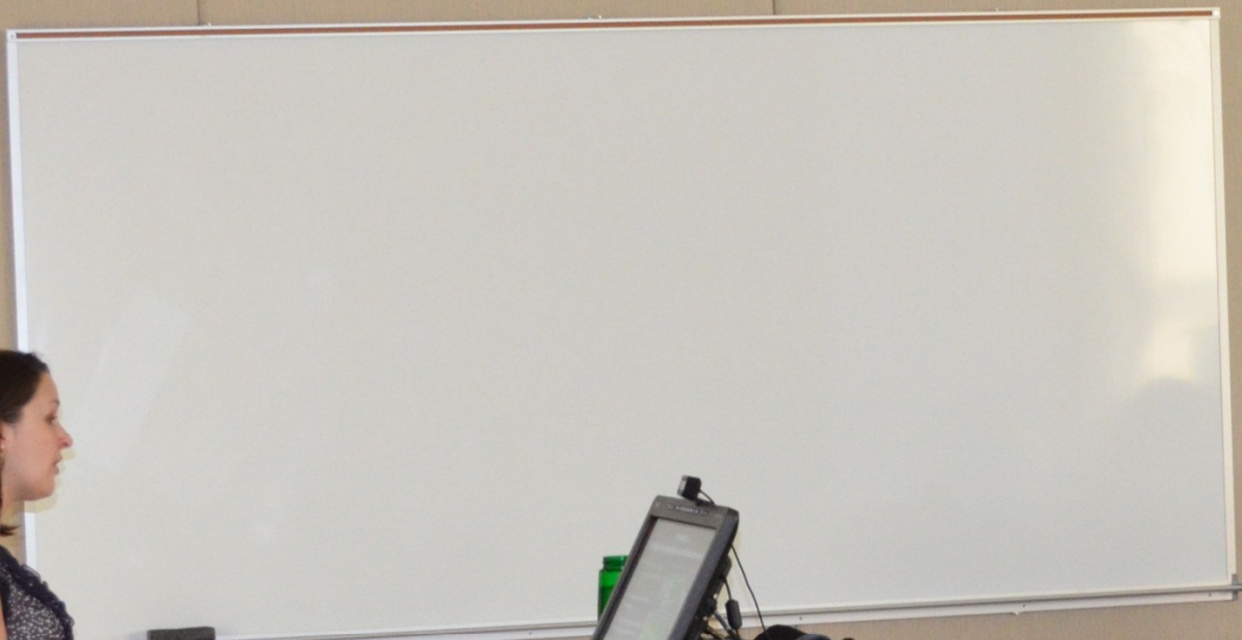

Impacts:

BMPs will allow native and rare plant habitat to flourish.

- Flora unique to Pine Barrens
- Support native wildlife, including pollinators
- Retain biodiversity and a healthy, balanced ecosystem

A woman with dark hair, wearing a dark, patterned sleeveless top, stands at a desk in the foreground. She is looking towards the projection screen. The desk has a computer monitor, a keyboard, and some other items on it.
