The New Jersey Pinelands Commission has embarked on its fourth in-depth review of the Pinelands Comprehensive Management Plan (CMP), and the public's participation will be a critical part of the process.

As part of this project, the Commission will analyze its past actions and identify ways to strengthen the Plan through future amendments to the CMP, the rules that govern land-use, development and natural resource protection programs in the million-acre Pinelands Area of southern New Jersey.

The Commission has slated the following meetings to gather public comment on its implementation of the Plan:

- **Friday, August 10th**, at 11 a.m., in the Richard J. Sullivan Center (RJS) on 15 Springfield Road in Pemberton, NJ;
- **Wednesday, August 22nd**, at 7 p.m. in the Hamilton Township Town Hall on 6101 Thirteenth Street in Mays Landing, NJ;
- **Friday, September 14th**, at 11 a.m., in the RJS Center; and
- **Monday, September 24th** at 7 p.m. in the RJS Center.

The Commission will accept public comments from July 16 to September 28. Comments can be sent by e-mail to info@njpines.state.nj.us or to P.O. Box 359, New Lisbon, NJ 08064. All comments will be posted on a new Plan Review web page on the Commission's website (<http://www.nj.gov/pinelands/cmp/planreview/index.html>).
