Long-term Environmental-monitoring and Watershed studies

Tulpehocken Creek - John F. Bunnell
Batsto Lake - John F. Bunnell
Butterworth Pond - Kim J. Laidig
Enneacanthus gloriosus (bluespotted sunfish) - John F. Bunnell
Enneacanthus obesus (banded sunfish) - Robert A. Zampella
Lepomis gibbosus (pumpkinseed) - John F. Bunnell
Micropterus salmoides (largemouth bass) - John F. Bunnell
Rana virgatipes (carpenter frog) - John F. Bunnell
Rana utricularia (southern leopard frog) - John F. Bunnell
Rana catesbeiana (bullfrog) - John F. Bunnell
Acris c. crepitans (northern cricket frog) - John F. Bunnell
Orontium aquaticum (golden club) - Kim J. Laidig
Callitriche heterophylla (larger water starwort) - John F. Bunnell

Electric-transmission Right-of-way Maintenance Plan

Managed utility right-of-way (scrub-shrub) - Robert A. Zampella
Managed utility right-of-way (herbaceous) - Robert A. Zampella

Ecological Integrity Assessment

Pituopsis m. melanoleucus (northern pine snake) - Robert A. Zampella
Hyla andersonii (Pine Barrens treefrog) - John F. Bunnell

Timber Rattlesnake Movements near a Residential Development

Close up view of culvert - Jim Rutherford
Snake fence - Kim J. Laidig
Male *Crotalus horridus* (timber rattlesnake) - Kim J. Laidig
Female *Crotalus horridus* (timber rattlesnake) - Kim J. Laidig
Radiotracking rattlesnakes - Robert A. Zampella
Rattlesnake in culvert - Jim Rutherford
