PVSC Tour Request Form

The Passaic Valley Sewerage Commission is now accepting tour requests- on a limited basis- for Spring and Summer 2015. **Tours are free.** Submission of a form does not ensure a tour reservation. PVSC will contact you to make tour arrangements and provide an official confirmation. There is NO tour reservation until an official confirmation is received.

Tour requests for the PVSC plant facility must be submitted at least 6 weeks in advance. Due to construction, tours are only offered biweekly on Tuesdays from 10am-3pm. Priority is given to high school and college students pursuing academic programs in the sciences. In order to place a request, individuals and groups must complete the form below, and provide a roster of all participants which will be vetted by PVSC Security.

All tour and security forms may be emailed to hgilroy@pvsc.nj.gov or faxed to (973) 817-5738. If you have any questions, you may call (973) 817-5735.
