PVSC Tour Request Form

The Passaic Valley Sewerage Commission is now accepting tour requests- on a limited basis- for the Spring of 2016. **Tours are free.** Submission of a form does not ensure a tour reservation. PVSC will contact you to make tour arrangements and provide an official confirmation. An official confirmation is required to reserve a tour.

Tour requests for the PVSC plant facility must be submitted at least 6 weeks in advance. Due to on-going construction at the plant, tours are offered only on Tuesdays (bi-weekly) 10am-2pm. Priority is given to high school and college students pursuing academic programs in the sciences. In order to place a request, individuals and groups must complete the form below, and provide a roster of all participants which will be vetted by PVSC Security.

All tour and security forms may be emailed to lkobuszewski@pvsc.nj.gov or faxed to (973) 817-5709. If you have any questions, you may call Lisa Kobuszewski at (973) 817-5969.
