BAYONNE, N.J. – The Passaic Valley Sewerage Commission will be holding an information session on the state of New Jersey's water infrastructure.

"Clean Waterways, Healthy Neighborhoods" will be presented in conjunction with the Bayonne Chamber of Commerce on February 27 at Buttero on Broadway from 6-9 p.m.

Guest speakers include: Marques Eley, Process Control Senior Engineer at PVSC, Greeley & Hansen and CDM Smith, PVSC consultants and Moriah Kinberg, the Community Outreach Coordinator for New Jersey Future.

The event costs \$10 for pre-registered chamber members and \$15 for all non-members and members paying at the door.
