

A	B	C	D	E	F
ARRA Funding Streams	Estimated benefit to NJ (over three years): Actual award notice issued by federal agencies or estimate	How do the funds flow?	Description	Current Status	Notes
Infrastructure and Energy					
Weatherization Assistance Program	\$118,821,296	Funds come to the state on a formula basis for the state to redistribute to local programs and for training	Funds can be used to weatherize and seal homes to make them more energy efficient. State passes through the funds to Community Action Programs.	The State's application to the US Dept of Energy was approved on July 10. With the approval of the application, 50% of the funds are now available for program use. To date, over \$12 million has been expended.	Actual funding allocation provided by US Dept of Energy. See http://www.energy.gov/newjersey.htm . Reference NJDCA website for State Plan: http://www.nj.gov/dca/divisions/dhcr/offices/docs/wapdraftarraplan.pdf
State Energy Program	\$73,643,000	Funds come to the state on a formula basis to redistribute for projects	Funds intended to promote energy conservation, reduce the rate of growth for energy demand and reduce dependence on imported oil.	The state received approval by the US Dept of Energy for its State Plan on August 25, 2009 and has already obligated over \$20 million for renewable energy projects around the state.	Actual funding allocation provided by US Dept of Energy. See http://www.energy.gov/newjersey.htm
Energy Efficiency and Conservation Block Grants	\$75,468,200	A portion of the funds (\$14.4m) flow from the federal government to the state to redistribute. The rest of funds flow directly from US Dept of Energy to 70 NJ municipalities and counties. See notes.	Funds intended to assist states and local governments in implementing strategies to reduce their total energy use.	Funding awards announced for the state and NJ municipalities and counties on March 26, 2009. The state is in the process of finalizing an application for these funds.	Of the \$75 million, \$14.4 million is for the state to distribute and the remainder is distributed directly by the US Dept of Energy to 70 local municipalities and counties in NJ. Funding allocation reflects US Dept of Energy allocation figure. See http://www.energy.gov/newjersey.htm . Qualified municipalities for state distributed funds can visit http://www.state.nj.us/bpu/agenda/announcements/arra.html for more information.

ARRA Funding Streams	Estimated benefit to NJ (over three years): Actual award notice issued by federal agencies or estimate	How do the funds flow?	Description	Current Status	Notes
Highway Infrastructure Investment	\$651,774,000	Funds flow to the state on a formula basis and are distributed to projects.	Funds for highway and bridge infrastructure investment and non-traditional transportation improvements.	Of the \$652 million, about \$469 million has been allocated for projects by the NJ DOT and \$164 million allocated for projects by the three Municipal Planning Organizations in NJ. The remaining \$19.5 million is set aside to fund transportation enhancement projects. Of the \$652 million, the State has actually expended over \$104 million as of 12/16/09. The MPOs and the NJ legislature (Joint Budget Oversight Committee) had to approve the project lists for both the \$469 million in funding as well as the \$164 million. NJ DOT accepted applications for the remaining \$19.5 in ARRA funds for transportation enhancement through May 13, 2009 and awarded those grants on 8/13/09.	To view NJDOT's ARRA projects, please see http://nj.gov/recovery/transparency/certifications/pdf/1511_090806.pdf . All of these projects can be viewed using the map feature on this website's home page. To view the recipients of the Transportation Enhancement Grants please see http://www.nj.gov/governor/news/news/2009/approved/20090813b.html . To view a list of the contractors awarded these projects, please see: http://www.state.nj.us/transportation/business/procurement/ConstrServ/awards10.shtm

ARRA Funding Streams	Estimated benefit to NJ (over three years): Actual award notice issued by federal agencies or estimate	How do the funds flow?	Description	Current Status	Notes
Transit Capital and Fixed Guideway	\$424,000,000	Funds flow to the state on a formula basis to redistribute for projects.	Funds for transit capital assistance and fixed guideway infrastructure investment.	NJ Transit/NJ DOT have selected and announced the projects that will be awarded with these funds. ARRA expenses of \$99.3 million have been accrued as of 10/30/09. NJ legislature (Joint Budget Oversight Committee) approved the projects on 4/7/09.	
Clean Water State Revolving Fund	\$160,146,900	Funds flow to the state on a formula basis to redistribute for projects.	Funds for grants and loans to help communities upgrade wastewater treatment systems.	The EPA approved of the State Plan on September 1, 2009. The state has moved forward with grant awards and construction.	To view the projects approved for funding, please view http://www.state.nj.us/dep/arra/docs/arra_cw_2009.pdf . The chart is updated weekly.
Drinking Water State Revolving Fund	\$43,154,000	Funds flow to the state on a formula basis to redistribute for projects.	Funds for grants and loans for drinking water infrastructure.	The EPA approved of the State Plan on September 1, 2009. The state has moved forward with grant awards and construction.	To view the projects approved for funding, please view http://www.state.nj.us/dep/arra/docs/arra_dw_2009.pdf . This chart is updated weekly.
Health IT	*TBD*	Competitive grants for states, non-profits and private institutions.	Funds are intended to support and accelerate health care providers' efforts to become meaningful users of Electronic Health Records.	New Jersey submitted its application on October 16th, 2009 to the Department of Health and Human Services. Grant awards are expected to be announced in December.	Please see: http://www.nj.gov/recovery/grant/hi_exchange.html for more details.

A	B	C	D	E	F
ARRA Funding Streams	Estimated benefit to NJ (over three years): Actual award notice issued by federal agencies or estimate	How do the funds flow?	Description	Current Status	Notes
U.S. Army Corps of Engineers	\$51,259,000	Project determinations made by the United States Army Corps of Engineers (USACE). No allocation is made to the state or local entities.	\$34,356,000 is for routine USACE construction funding with state cost sharing and \$16,903,000 is for USACE Civil Works Operation and Maintenance activities with no required state cost share.	Projects have been specified and construction has begun. All of the projects and project timetables are determined by the USACE.	Funding allocation cited is a USACE figure.
Brownfield Investigation and Cleanup Grants	\$1,800,000	Grantees are selected by the US Environmental Protection Agency (EPA) through a competitive process, and awards are made directly to the grantees. States do not participate in the selection or award process.	Funds are for the assessment and cleanup of brownfield sites to promote their redevelopment and reuse.	Awards have been announced for 4 cities in New Jersey: Camden, Newark, Jersey City, and Plainfield.	Award amount listed is based on an announcement made by the EPA. For a listing of awardees in New Jersey, please visit http://www.nj.gov/recovery/infrastructure/bicg.html
Diesel Emissions Reduction Grants	\$1,730,000	Funds flow to the state via formula from the US Environmental Protection Agency (EPA).	NJDEP will use the \$1.73 million direct allocation for tailpipe retrofits of construction equipment to reduce particulate matter emissions. Specifically, the funds will be used to retrofit non-road diesel vehicles/equipment used on state sponsored construction projects.	The NJDEP has received the funds from the EPA and has drawn down over \$122,000 to date.	Award amount listed is based on an announcement made by the EPA.

ARRA Funding Streams	Estimated benefit to NJ (over three years): Actual award notice issued by federal agencies or estimate	How do the funds flow?	Description	Current Status	Notes
Hazardous Substance Superfund Grants	Up to \$160 million	Grantees are selected by the US Environmental Protection Agency (EPA) and the EPA manages the projects. States do not participate in the process.	The U.S. Environmental Protection Agency (EPA) announced on Wednesday, April 16, up to \$160 million in new funding through the American Recovery and Reinvestment Act of 2009 for eight Superfund sites in New Jersey. The money will be used to start new cleanup projects or continue remedial work already underway at the sites.	Projects have been specified and in some cases work has begun.	Award amount listed is based on an announcement made by the EPA. Final allocation will be determined by the complexity of the work.
Leaking Underground Storage Tanks Trust Fund	\$4,800,000	New Jersey received its share based on a Federal Formula.	The federal Leaking Underground Storage Tank (LUST) Trust Fund provides states with grant funding to oversee and conduct the cleanup of discharges resulting from underground storage tanks. The largest single group of USTs covered by this program contains motor fuel at gasoline service stations and commercial establishments.	The New Jersey Department of Environmental Protection (DEP) recently engaged contractors with funds from the stimulus measure to begin remedial work at two sites: Eric's Main Street Mobil in Flemington and P&R Petroleum in Northfield City. These are the first two of 16 planned site cleanups using funds allocated to New Jersey under the Recovery Act. To date, over \$16,000 has been expended in this effort.

ARRA Funding Streams	Estimated benefit to NJ (over three years): Actual award notice issued by federal agencies or estimate	How do the funds flow?	Description	Current Status	Notes
Education and Training					
Title I Grants	\$239,793,189	Funds flow to the state on a formula basis to redistribute to local districts based on a formula.	Funds for school districts for disadvantaged children. Funds for services for low performing students.	A grant award notice of \$91 million was received and school districts have incorporated the funds into their annual budgets. Funds are being drawn down on a reimbursement basis to pay teachers' salaries and provide further services.	For listing of grant recipients in New Jersey, please see: http://www.nj.gov/recovery/benefits/pdf/arr_a_t1_prelim.pdf
IDEA	\$383,296,050	Funds flow to the state on a formula basis and are passed through to local districts via formula. This includes approximately \$10 million IDEA Part C funds that go to the New Jersey Department of Health and Senior Services for programs for infants and toddlers with disabilities.	Funds to support special education and related services for students with disabilities.	Funding award announced by US Dept of Ed and an award notice for 50% of the IDEA ARRA funds was received for IDEA basic and preschool. Funds are being drawn down on a reimbursement basis as districts apply.	For listing of grant recipients in New Jersey, please see: http://www.nj.gov/recovery/benefits/pdf/idea.pdf
Education for Homeless Children and Youth	\$908,581	Funds flow to the state on a formula basis to award competitively to school districts.	Funds are for school districts to provide services to homeless children.	Funding award announced by the US Dept of Education. The award notice has been received and the Notice of Grant Opportunity has been issued by the NJ Department of Education.	Funding amount listed is the award level announced by US Dept of Education.

ARRA Funding Streams	Estimated benefit to NJ (over three years): Actual award notice issued by federal agencies or estimate	How do the funds flow?	Description	Current Status	Notes
Education Technology Grants	\$12,044,731	Formula grants from Federal Government to the State Department of Education. NJ DOE will distribute the funds via competitive grants.	Program provides grants to school districts to improve student achievement through the use of technology.	Funding award announced by US Dept of Education and NJ DOE's application process has begun. Applications are due 11/4/09.	Funding amount listed is the award level announced by US Dept of Education. See http://www.nj.gov/cgi-bin/education/grants/gropps2.pl?string=recnum=01532&maxhits=1 for more information on how to apply.

A	B	C	D	E	F
ARRA Funding Streams	Estimated benefit to NJ (over three years): Actual award notice issued by federal agencies or estimate	How do the funds flow?	Description	Current Status	Notes
Work Study	\$3,974,503	Individual eligibility	ARRA provides \$490 million for colleges to support low and moderate-income undergraduate and graduate students who work while attending school.	Funding award announced by US Dept of Education.	Funding amount listed is the award level announced by US Dept of Education.
Pell Grants	\$507,100,000	Individual eligibility	Funds will retire the existing Pell Grants shortfall and increase the maximum Pell Grant to \$5,350 up from \$4,860 per student.	No funds will be received by state agencies - individual eligibility only.	Funding amount listed is a Federal Funds Information for States estimate.
Workforce Investment Act (WIA) Training and Employment Services	\$62,926,956	Funds come to the state on a formula basis to redistribute through New Jersey's Workforce Investment Boards.	Funding for job training for three groups: Low-income adults, dislocated workers, and youth.	Funding award announced by US Dept of Labor; the state has drawn down \$16.6 million as of 12/16/09.	Funding amount listed represents actual U.S. Department of Labor awards.
Vocational Rehab	\$9,455,472	Funds come to the state on a formula basis to redistribute. Also, a portion of the transitional housing assistance grants will be awarded competitively.	State staff and vendors will provide services to workers with disabilities	50% of monies awarded 4/6/09. Remaining 50% to be awarded once a plan describing record keeping and reporting requirements is submitted and approved. Monies must be obligated by 9/30/11. State has not yet drawn down federal funds.	Funding allocation listed represents the award level announced by US Dept of Education. See http://www.ed.gov/about/overview/budget/statetables/09stbyprogram.xls For these funds, about \$7.6 goes to the NJ Department of Labor and Workforce Development, and \$1.9 to the NJ Department of Human Service's Commission for the Blind and Visually Impaired.

A	B	C	D	E	F
ARRA Funding Streams	Estimated benefit to NJ (over three years): Actual award notice issued by federal agencies or estimate	How do the funds flow?	Description	Current Status	Notes
Independent Living	\$385,684	Funds come to the state on a formula basis to redistribute	To be used for independent living services for individuals with disabilities.	Monies must be obligated by 9/30/11. State has not yet drawn down federal funds.	Of these funds, \$308,547 go to NJ Department of Labor and Workforce Development and \$77,137 for the NJ Department of Human Services Commission for the Blind and Visually Impaired. The funding amount listed represents actual awards.
Services for Older Americans Who Are Blind	\$1,026,700	Funds come to the state on a formula basis to redistribute	To provide independent living services to older blind individuals	Monies must be obligated by 9/30/11. State has not yet drawn down federal funds.	The funding amount listed represents actual award amount.
Senior Community Service Employment Program(SCSEP)	\$3,300,000	Funds come to the state on a formula basis to redistribute	Program provides low-income seniors with subsidized minimum wage jobs in govt or non-profits.	Of the \$3.3 million, NJ Department of Labor and Workforce Development will receive about \$670,000 and the rest will flow directly from the federal govt to non-profits in NJ. As of 12/16/09, the state has drawn down \$269,839.96 in federal funds.	Funding amount listed represents an estimate made by the Federal Funds Information for States.
Wagner Peyser & Employment and Re-employment Services	\$10,662,171	Funds come to the state on a formula basis to redistribute	Nationally, \$150 million was made available for States' employment services and \$250 million was made available for re-employment services.	Funds will be used to provide a variety of employment related labor exchange services including job search assistance, job referral, and placement assistance for job seekers, re-employment services to unemployment insurance claimants, and recruitment services to employers with job openings.	The funding amount listed represents an actual award.

ARRA Funding Streams	Estimated benefit to NJ (over three years): Actual award notice issued by federal agencies or estimate	How do the funds flow?	Description	Current Status	Notes
Homelessness Prevention/Rapid re-housing (formerly referred to as Emergency Shelter Grants)	\$40,919,501	Formula to various agencies throughout State; portion of funds (\$10,221,710) go to state to redistribute and balance of funds go directly to NJ municipalities and counties.	Funds can be used for development and expansion of shelters, short and medium-term rental assistance, case management, housing search and placement services, etc.	State funds are available to be drawn down by the Department of Community Affairs. The Department is currently drafting a request for proposal for these grants.	The funding allocation listed is HUD's actual award announcement. For more information and a listing of grantees, please visit HUD's website at: http://portal.hud.gov/portal/page/portal/RECOVERY/programs/HOMELESSNESS
Community Development Block Grants	\$26,744,109	A portion of the funds come to the state (\$1.9m) to redistribute and the remainder to local entitlement entities. See status and notes columns.	Funds enable local governments to undertake a wide range of activities intended to create suitable living environments, provide decent affordable housing and create economic opportunities, primarily for persons of low and moderate income.	The \$1,945,374 was made available for the state to draw down in early September and the NJ Department of Community Affairs is finalizing grant agreements with its award recipients.	The funding allocation listed is HUD's actual award announcement. To view HUD's award recipients in NJ, please see: http://portal.hud.gov/portal/page/portal/RECOVERY/programs/COMMUNITY . To view the Department of Community Affairs award recipients, please see: http://www.nj.gov/recovery/programs/cdbg_program_criteria.html

A	B	C	D	E	F
ARRA Funding Streams	Estimated benefit to NJ (over three years): Actual award notice issued by federal agencies or estimate	How do the funds flow?	Description	Current Status	Notes
Supplemental Nutrition Assistance Program (Food Stamps)	\$297,000,000	Funds come to the state on a formula basis to redistribute	These funds increased food stamp benefits by approximately \$30 a month for individuals who qualified. The increase makes the average monthly household payment \$276.	Increase in SNAP benefits in NJ have gone into effect.	The funding allocation listed is based on Federal Funds Information for States estimates.
Supplemental Nutritional Assistance Program Admin Funding	\$4,470,904	Funds come to the state on a formula basis to redistribute	Funds provide increased administrative support to states to offset their costs for implementation of increased benefits as well as to offset administration costs due to rapid caseload growth.	Funds announced to the 21 county welfare agencies (CWA) on April 3, 2009. A total of \$2,794,315 is available to the CWAs in CY 2009 and \$1,676,589 in CY 2010.	The funding allocation listed represents a Department of Human Services figure.
Emergency Food and Shelter Program (EFSP)	\$2,710,244	These funds come to the state via formula from the Federal Emergency Management Agency. The United Way of America, which serves as EFSP Executive Secretariat, administers the distribution of EFSP funds to local social service agencies	Funds are used for a broad range of services, including: mass shelter, mass feeding, food distribution and transition assistance from shelters to stable living conditions.	Funds announced on April 9.	The funding allocation listed is based on FEMA awards. See http://www.fema.gov/government/grant/efs_p/2009.shtml for more information.

ARRA Funding Streams	Estimated benefit to NJ (over three years): Actual award notice issued by federal agencies or estimate	How do the funds flow?	Description	Current Status	Notes
TEFAP (The Emergency Food Assistance Program)	\$2,172,264	Funds and commodities come to the state based on a federal formula to redistribute.	NJ will be eligible to receive an additional amount of federal commodities for the Commodity Assistance Program.	State has not yet received any funds or commodities. However, the State has begun the planning to expend these funds.	Funding estimate is based on award information shared with the NJ Department of Agriculture by the federal government.
TEFAP Administrative Funds	\$1,093,340	Funds come to the state on a formula basis to redistribute.	Federal funding to assist with the additional warehousing costs for the new TEFAP ARRA-supported commodities. The state received \$544,427 for FY09 and \$548,913 for FY10.	The state has expended all of the FY09 dollars and will begin spending FY10 dollars during the first quarter of FY10.	Funding listed represents an actual award made to the state.
State Child Nutrition Program	\$1,859,763	Funds come to the state on a formula basis to redistribute	NJ awarded over 90 grants to low-income schools to purchase food service equipment.	The U.S. Department of Agriculture has transferred the funds to the New Jersey Department of Agriculture. To date, the Department has drawn down \$1,450,063.	The funding allocation represents the actual award of funds from the USDA.

A	B	C	D	E	F
ARRA Funding Streams	Estimated benefit to NJ (over three years): Actual award notice issued by federal agencies or estimate	How do the funds flow?	Description	Current Status	Notes
Unemployment Insurance Benefits Extension	\$2,017,000,000	Individual eligibility	The Recovery Act amends the Unemployment Compensation Extension Act of 2008 to provide for the continuation of temporary, extended, unemployment benefits and an additional 13 weeks for individuals living in states with a high unemployment rate.	The NJ Department of Labor and Workforce Development continues to pay eligible individuals benefits. Thus far, \$1.28 billion has been drawn down for Emergency Unemployment Compensation (EUC) and \$36.1 million was drawn down for Extended Benefits (EB).	The funding allocation listed is based on a NJ Department of Labor and Workforce Development estimate.
Unemployment Insurance (UI) Federal Additional Compensation (FAC)	\$485,800,000	Formula/individual eligibility	States may voluntarily enter into an agreement with the U.S. Department of Labor to provide an increase in both regular and extended unemployment benefits by \$25 a week through December 2009, with full reimbursement by the federal government.	The \$25 supplemental checks have been sent to UI claimants since the week ending February 28, 2009.	The funding allocation listed is based on a NJ Department of Labor and Workforce Development estimate.
Unemployment Insurance Modernization Act	\$206,823,364	Formula distribution for states that are eligible.	A total of \$7 billion is available (nationally) in incentive payments for states who enact specific reforms designed to increase UI coverage among low-wage, part-time and other jobless workers.	\$206.8 million incentive payment was deposited into the UC Trust Fund on March 27, 2009.	The funding allocation listed is based on information given to the state from the U.S. Department of Labor.

A	B	C	D	E	F
ARRA Funding Streams	Estimated benefit to NJ (over three years): Actual award notice issued by federal agencies or estimate	How do the funds flow?	Description	Current Status	Notes
UI Modernization Act (Administrative)	\$14,800,000	Formula distribution	\$500 million in administrative funding to all states	\$14.8 million was deposited into the UC Trust Fund on February 27, 2009.	The funding allocation listed is the actual receipt of the funds.
Temporary Assistance for States with Advances	\$22,362,786	Based on state loans and state need	ARRA waives accrual of interest and interest payments on state loans from the Federal Unemployment Account used to pay State UI benefits.	*TBD*	The funding amount listed is a Center for American Progress estimate.
Child Care and Development Block Grant	\$34,106,014	Funds come to the state on a formula basis to redistribute	Funds to provide child care services to low-income children with working parents.	The U.S. Department of Health and Human Services has announced awards and the state is eligible to draw down the funds.	The funding amount listed is based on the award notice from the federal government. See http://transparency.cit.nih.gov/RecoveryGrants/grant.cfm?grant=childcare for more information.
Head Start	\$12,083,000	Funds flow directly from the federal government to local head start providers.	Funds to increase Head Start enrollment.	The U.S. Department of Health and Human Services put out additional details on 4/2/09 (See http://www.hhs.gov/news/press/2009pres/04/20090402a.html) but the official state award is not yet public.	The funding allocation listed is based on an estimate by the Federal Funds Information for States.
Child Support Enforcement	\$63,300,000	Funds come to the state on a formula basis to redistribute	The Recovery Act allows NJ to draw down additional federal dollars to help collect child support payments owed to families.	State has not yet received federal funds.	The funding estimate is based on information from the NJ Department of Human Services and the Federal Funds Information for States.

A	B	C	D	E	F
ARRA Funding Streams	Estimated benefit to NJ (over three years): Actual award notice issued by federal agencies or estimate	How do the funds flow?	Description	Current Status	Notes
Temporary Assistance for Needy Families (TANF) Emergency Fund	Up to \$202 million or 50% of NJ's TANF block grant	Based upon state need	<p>The ARRA creates a new TANF Emergency Fund of up to \$5 billion to assist states to serve more families seeking employment and other forms of assistance during the current economic downturn.</p> <p>To be eligible, a state must demonstrate an increase in the number of TANF families receiving assistance or an increase in expenditures on employment subsidies or short-term, one-time benefits in at least one quarter during fiscal years 2009 or 2010. Funds are subject to the same provisions and restrictions as other TANF dollars.</p>	The NJ Department of Human Services is awaiting final guidance from the federal government on the use of these funds.	It does not appear that NJ qualifies under two of the three funding categories based upon current caseload and spending statistics.

A	B	C	D	E	F
ARRA Funding Streams	Estimated benefit to NJ (over three years): Actual award notice issued by federal agencies or estimate	How do the funds flow?	Description	Current Status	Notes
Seniors, Disabled Vets and Supplemental Security Income (SSI)	\$376,718,500	Individual eligibility	This program provides a one-time payment of \$250 dollars to retirees, disabled individuals, and SSI recipients receiving benefits from the Social Security Administration, Railroad Retirement beneficiaries, and disabled veterans receiving benefits from the U.S Department of Veterans Affairs.	All checks should have been received by eligible citizens by June 4, 2009	The funding amount listed is based on an estimate by the Center for American Progress.
Senior Nutrition Programs	\$2,770,000	Funds come to the state via formula to redistribute to the County Area Agencies on Aging.	These funds help fund two nutrition programs for seniors: Meals on Wheels and congregate meal programs.	To date, New Jersey has distributed \$1,877,006 to Area Agencies on Aging.	For more information on the federal program, please see: http://www.hhs.gov/recovery/programs/aoa/arra.html
Immunizations	\$5,936,031	Funds come to the state on a formula basis to redistribute.	These funds help pay for the delivery of vaccines to underinsured children.	The U.S. Department of Health and Human Services announced awards on 4/9/09; the state has not yet received the funds.	The funding amount listed is based on an award notice (4/9/09) by the U.S. Department of Health and Human Services. See http://transparency.cit.nih.gov/RecoveryGrants/grant.cfm?grant=vaccines for more information.

Saving Jobs and Protecting Vital Services					
State Fiscal Stabilization Fund	\$1,330,483,831	Funds come to the state on a formula basis to redistribute to local districts (via formula) and to higher education institutions.	80% of the funds can be used for restoring education funding or for education increases and 20% for other government services, including education.	To date, the state has expended approximately \$671 million from this fund.	The funding allocation listed is the actual allocation provided by US Dept of Education. Please see the U.S. Department of Education's website for additional information: http://www.ed.gov/policy/gen/le/g/recovery/factsheet/stabilization-fund.html .
Medicaid FMAP Increase	\$2,200,000,000	Funds come to the state on a formula basis	Increases NJ's FMAP rate from 50% to 56.2%. Plus an increase for the high unemployment bonus.	To date, the state has received \$598 million in FMAP funds per the NJ Office of Management and Budget.	The Federal Funds Information for States estimates about \$2 billion for FMAP, the Government Accountability Office estimates about \$2.2 billion, and NJ's Department of Human Services estimates about \$2.2 billion over the life of the program.
Title IV-E Enhanced FMAP	\$12,100,000	Funds come to the state on a formula basis quarterly based on children placed who are Title IV-E eligible	Funds come to the state for foster care and adoption assistance maintenance payments to families.	The state has received \$4.1 million for the first two fiscal quarters covered by the ARRA	The funding allocation listed is based on a DCF estimate for the 27 month term of the FMAP supplement provided by the ARRA.
Arts Jobs Preservation	\$336,900 (one year grant)	Formula - comprised of an equal amount to each state and a portion based on population.	Funds come to the State Arts Council from the National Endowment for the Arts to redistribute to arts organizations to preserve jobs in the arts sector.	This funding was awarded to support staff positions at 16 organizations in 11 counties and 9 of 13 congressional districts representing a wide range of artistic disciplines and programs that serve underserved communities as mandated by the NEA.	National Endowment for the Arts information and guidelines for these funds can be found at http://www.arts.gov/grants/apply/recovery-states/index.html . For a listing of grant recipients in New Jersey, please see: http://www.state.nj.us/state/images/pdfs/ARRA.pdf .

ARRA Funding Streams	Estimated benefit to NJ (over three years): Actual award notice issued by federal agencies or estimate	How do the funds flow?	Description	Current Status	Notes
Byrne Justice Assistance Grants (JAG)	\$47,749,135	A portion of the funds flow to the state to redistribute (\$30m) and the remaining \$18 million flows from the federal government to specific local jurisdictions.	Grants to improve the functioning of the criminal justice system, to assist victims of crime and youth mentoring. Of the \$48 million, about \$30 million goes to the state to redistribute and remaining \$18 million is allocated to specific local jurisdictions by the federal government.	The U.S. Department of Justice and the NJ Office of the Attorney General have announced awards for funds that go directly to municipalities and counties.	The funding allocation listed is based on the U.S. Department of Justice award that can be found at http://www.ojp.usdoj.gov/BJA/recoveryJAG/recoveryallocations.html
Crime Victims Assistance and Compensation	\$2,484,671	Funds come to the state on a formula basis to redistribute. Also portion of the	Grants for victims compensation and victims services programs.	No federal funds have been drawn down to date.	The funding allocation listed is based on the actual award amount from the US Department of Justice.
Violence Against Women Grants	\$3,624,711	Funds come to the state on a formula basis to redistribute. A portion of the transitional housing assistance grants will be awarded competitively.	Grants are used to combat violence against women. Of the total \$225 million for this program nationally, \$50 million is earmarked for transitional housing assistance grants for victims of domestic violence.	No federal funds have been drawn down to date.	The funding allocation listed is based on an estimate made by the NJ Office of the Attorney General.

ARRA Funding Streams	Estimated benefit to NJ (over three years): Actual award notice issued by federal agencies or estimate	How do the funds flow?	Description	Current Status	Notes
Internet Crimes Against Children	\$901,050	Funds come to the state on a formula basis.	Funds are used to help states and local authorities develop effective responses to online enticement of children by sexual predators, child exploitation, and child pornography cases.	Funds have not yet been drawn down, however, funds will go to hiring more staff for monitoring.	The funding allocation listed is based on an actual award amount by the U.S. Department of Justice to the State of New Jersey.
COPS Program	\$26,813,422	Competitive Grants awarded directly from federal government to municipalities.	There was \$1 billion available nationally to fund the new hiring or rehiring of law enforcement positions for 3 years. The ARRA requires that any positions funded by this program be retained after federal funds cease.	18 municipalities in New Jersey received grants to hire or rehire 123 police officers.	For more information and to view the grant receipts in New Jersey please visit: http://www.nj.gov/recovery/news/approved/20090728.html . To view the Department of Justice's COPS Program site, please see: http://www.cops.usdoj.gov/Default.asp?Item=2208 .

ARRA Funding Streams	Estimated benefit to NJ (over three years): Actual award notice issued by federal agencies or estimate	How do the funds flow?	Description	Current Status	Notes
Tax Cuts					
Making Work Pay	\$3,256,653,122	Individual eligibility	For 2009 and 2010, the new law provides a refundable tax credit of up to \$400 for working individuals and \$800 for working families.		The tax credit estimate listed is based on a Center for American Progress estimate.
Earned Income Tax Credit (EITC) Increases	\$84,350,260	Individual eligibility	Increases the EITC to forty-five percent (45%) of the family's first \$12,570 of earned income for families with three or more children and would increase the beginning point of the phase-out range for all married couples filing a joint return (regardless of the number of children) by \$1,880.		The tax credit amount listed represents a Center for American Progress estimate.
Child Tax Credit	\$299,989,450	Individual eligibility	Increases the eligibility for the refundable child tax credit in 2009 and 2010. For 2008, the child tax credit is refundable to the extent of 15% of the taxpayer's earned income in excess of \$8,500. The bill would reduce this floor for 2009 and 2010 to \$3000.		The tax credit estimate listed is a Center for American Progress estimate.

ARRA Funding Streams	Estimated benefit to NJ (over three years): Actual award notice issued by federal agencies or estimate	How do the funds flow?	Description	Current Status	Notes
Alternative Minimum Tax (AMT)	\$3,526,841,449	Individual eligibility	Extension of AMT relief for 2009. The bill would provide more than 26 million families with tax relief in 2009 by extending AMT relief for nonrefundable personal credits and increasing the AMT exemption amount by \$70,950 for joint filers and \$46,700 for individuals. This proposal is estimated to cost \$69.759 billion over 10 years.		The Congressional Research Service estimates that about 1.7 million individuals in NJ will be helped by this. The dollar figure cited is a Center for American Progress estimate.
UI - \$2400 Income tax exemption	*TBD*	Individual eligibility	Suspension of federal income tax liability for up to \$2,400 of unemployment compensation received during 2009	This tax exemption will be available to UI claimants on their CY09 tax return.	NJ Department of Labor and Workforce Development is currently working on an estimated dollar figure for this program.
