Content Note

The patients and employees of the New Jersey State Village for Epileptics staged and attended many social events such as plays, concerts, minstrel shows, and holiday celebrations. This series consists of typed programs, a few handwritten agendas, and printed booklets produced by the Village printing press commemorating these events. Files for the period 1923-1934 appear to be complete, while those for 1922 and 1938-1948 usually contain only one or two items for each year. There are no files for the years 1935-1937 and 1945-1946.
