- For a \$10.00 fee, paid in advance, we will search for a marriage record when the month and year are provided.
- If the month and year are not known, no more than one 2-year search can be requested for a fee of \$15.00.
- For records from May 1848 to May 1878, the filing year was from May of one year to May of the next year. From June 1878 to Dec. 1900, the typical filing year was from 1 July of one year to 30 June of the next year. *Two-year searches are based on these filing years.* [May 1856-May 1857 is one filing year; July 1894-June 1895 is one filing year.] Thus, to cover Jan.-Dec. for *any given year* during the period May 1848 to Dec. 1900 a 2-year search is needed.
- Post-1900 searches are based on the calendar year.
- Fees are non-refundable regardless of whether the requested record is found.
