THE NEW JERSEY BUSINESS ACTION CENTER:
PRO BUSINESS AND PROACTIVE

Looking for professional help to launch, expand or relocate your business in New Jersey? Need business consulting services for your small business? The team at the New Jersey Business Action Center is here for you. We are your one-stop, hands-on and up-to-the-minute resource for everything you need to do business in the Garden State. Providing services to businesses of all sizes, the Business Action Center:

- Works to retain and attract business to New Jersey
- Encourages and fosters entrepreneurship, supporting New Jersey businesses from all industries and of all sizes to be more competitive in the global marketplace
- Assists businesses with permit applications, licenses, certificates and other business-related approvals
- Promotes the State as a great vacation destination and a sound business investment to audiences near and far

ACCESS FINANCIAL AND INCENTIVE PROGRAMS

Let us walk you through all of the financial and incentive programs the State has created to grow New Jersey's businesses. We will identify your business's eligibility for these programs and create a detailed proposal that will help you take action.

NAVIGATE PERMITTING AND REGULATORY PROCESSES

Because we actively work with the various State agencies and departments on a regular basis, we have an in-depth understanding of the State's permitting and regulatory processes. We will guide your new or existing business with professional, coordinated services to assess issues, quickly identify any challenges and formulate a sound and effective solution.

TAKE ADVANTAGE OF SITE SELECTION SERVICES

The Business Action Center actively maintains a comprehensive database of New Jersey commercial properties. Tell us your business needs, and we will serve up a concise real estate listing of sites that match your specifications.

LEARN ABOUT GLOBAL BUYERS AND MARKETS

Ready to expand outside state lines? How about across oceans? We can assist you in realizing your global ambitions. Our expertise and programs include trade consulting services and inward foreign direct investment services, including:

- Identify buyers and international markets
- Find partners for joint ventures and strategic alliances
- Offer trade assistance
- Provide trade advocacy

BE PART OF THE STATE'S FUTURE GROWTH PLANS

Our Office for Planning Advocacy serves as the hub for coordinating and advancing all of New Jersey's planning strategies. Not only do we seek out opportunities to stimulate future business growth in the State, but we also look for additional ways to enhance the "one-stop shopping" experience for New Jersey businesspeople like you.

WHO ARE WE?

In 2010, Governor Christie consolidated all of the State's economic development activities to form the New Jersey Business Action Center. Operating under the leadership of Lieutenant Governor Kim Guadagno, the Center encourages the optimum conditions for business growth and job creation in the State of New Jersey. We help businesses with a variety of business-related activities, including financial and incentive programs, permits and regulatory assistance, site selection and finding new markets.
