

LEGISLATIVE DISTRICT MAP QUESTIONS

1. Why do you think the legislative districts are of different sizes? Do you think this is fair?
2. Why do you think the legislative districts are of different shapes? Do you think this is also fair?
3. Using the New Jersey Legislature website, determine which legislative district you live in?
4. Using the same website, determine who is your state senator and your two assemblypersons? How would you contact them?
5. (Optional) Write a letter to your state legislators on a particular current issue.
