

The New Jersey State Museum will present SCOUTING GEOLOGY on Saturday, May 20 and SCOUTING ARCHAEOLOGY on Saturday, October 21, 2017

Learn about the earth and the history of its human inhabitants from the Museum's professional geologists, paleontologists and archaeologists. Our staff will be on hand to guide you through the Museum's collection of specimens, tools and maps. Don't forget to bring your own collections: we'll help you identify those too!

Find out what geologists and archaeologists do. Our staff's expertise will help you fulfill many of the requirements for badges and other programs in Scouting. Counseling is available at the Museum. Advance reservations are required but it is not necessary to be a Scout to enroll in the program. For registration or for more information, please call (609) 292-8594 or (609) 984-3846, weekdays from 8:30 am to 4:30 pm.

### RESERVATION FORM
