

NEW JERSEY STATE MUSEUM

Scouting Day 2015

Geology April 18 and Archaeology April 25

Main Building; \$5.00 per person

Are you a Boy Scout or Girl Scout of any age or program who is in search of exciting and fascinating badges or interest patches? Would you like to learn about the earth, and the history of its human inhabitants? Come to the New Jersey State Museum's Scouting Day to learn about these fascinating subjects from the Museum's professional geologists, paleontologists and archaeologists. Our staff will be on hand to guide you through the Museum's collection of specimens, tools and maps. Don't forget to bring your own collections; we'll help you identify those too!

Find out what geologists and archaeologists do. Our staff's expertise will help you fulfill many of the requirements to earn your merit badge, program patch, or webelos requirements. Counseling is available at the Museum. Advance reservations are required but it is not necessary to be a Scout to enroll in the program. For registration or for more information, please call **(609) 292-1382** or **(609) 984-3846**, weekdays from 8:30 am to 4:30 pm.
