About This Manual

The State Arts Council's investment in your work is an achievement of your organization. Publicizing your grant and acknowledging the State Arts Council's support in your promotional materials helps reinforce the importance of public support for the arts in New Jersey.

This Visual Identity Manual contains the conditions referenced in Attachment D of your grant contract and explains the proper uses of the State Arts Council logo, how to link to the State Arts Council website, and the appropriate crediting language by grantee type. Exceptions due to space or other limitations will be considered on a case by case basis.

If you have questions about how to properly comply with these conditions, please contact Allison Tratner at (609) 292-4524 or Allison.Tratner@sos.nj.gov.

LOGO COLOR VARIATIONS

Logo Misuses

Grantees must avoid modifying to logo or logo pairing in ways that their grantee type does not specifically call for, or in ways against the design requirements detailed later in this manual. The following examples use the Direct Council Grant logo (with its built-in crediting statement) to show correct and incorrect uses of the logo.

Logo Clear Zone

For all varieties of logo or logo pairings across the grantee types, there must be a 0.5" minimum standard clear zone away from other prominent design elements and other organizational logos, including sponsor logos. For web and digital uses, the logo clear zone is equal to half the size of the circle of the Arts Council logo. This is also the minimum distance the pairing can be from the left (or right) and top (or bottom) edge of a design.

For printed pieces, the minimum clear zone is 0.5". For large scale and outdoor media see page 13.

For web and digital uses, the minimum clear zone is half of the size of the Arts Council logo circle.

If you have a question about your specific grant type, please contact your program officer for clarification. A list of programs officers as well as executive staff can be found by pasting the link below into your web browser:

Grantees meet with Council staff about the ongoing work on an as-needed basis.
