

Notice to Contractors
New Jersey Department of Transportation

**The New Jersey Department of Transportation is holding a pre-bid meeting
on April 28, 2017 at 2:00 PM for the following project:**

**Route 495, Route 1&9/Paterson Plank Road Bridge, Contract No. 000063730,
Township of North Bergen, Town of Secaucus, and Union City, Hudson
County**

This project will replace the existing bridge deck of the mainline Route 495 structure and both the northbound and southbound ramp structures, and will address superstructure and substructure rehabilitation of each of the structures. The project includes complex staging and traffic mitigation to accomplish the deck replacement. The project will also include complete repainting of the steel superstructure and substructure components; installation of superstructure supplemental support brackets; steel repairs; bearing replacements; approach roadway and structure lighting, drainage installations, security fencing and ITS components. The project also includes improvements to several additional off-site structures and signalized intersections as part of temporary traffic control measures, and improvements to the NJ Transit Park and Ride Lot for both contractor staging and permanent security measures. The project will also include a significant noise control effort to protect nearby sensitive receptors from the effects of construction noise. Coordination will be required with the Port Authority of New York and New Jersey, New Jersey Transit, New Jersey Turnpike Authority, railroads, Hudson County, and various municipalities.

The project advertisement date is anticipated to be **April 20, 2017**. Bids will be received on **May 18, 2017**. **Bid dates is subject to change by addenda.**
