Criteria for certain disciplines are unchanged from the PS-10, which may allow the firm to choose expedited renewal, ER, from the previously approved service level by proposing the same personnel and projects submitted successfully from the PS-10. Check Boxes are provided where expedited renewal is applicable, at which case Sections 4 and 5 need not be submitted with the PS-11 packet.

Disciplines with changes in staff and/or project(s) are not eligible for expedited renewal and require full resumes or project descriptions in Sections 4 and 5, respectively.

New personnel or new project(s) must be accompanied by full resume(s) or project descriptions and submitted with the PS-11 packet
