Route 49, Cohansey River Bridge	95110	95110

This project will provide for the replacement of the structurally deficient and functionally obsolete Route 49 Bridge over the Cohansey River. The new bridge will be a low-level, fixed bridge on the same alignment that will maintain the existing navigational clearance. The bridge cross-section will be made wider on each side; converting the existing 10-foot travel lanes to 11 feet and widening the outer lanes to 15 feet. This project will maintain the existing number of travel lanes. Additionally, the project proposes to eliminate existing substandard geometric deficiencies, upgrade intersection signalization to improve vehicular and pedestrian circulation, and to incorporate safety measures intended to mitigate a high accident rate within the project limits.

This project is funded under the provisions of Section 13 of P.L. 1995, c.108. This is a multi-year funded Federal-aid construction project. Total Federal-aid needed for construction is anticipated to be \$9,250,000.

The following Federal appropriations were allocated to this project. FY06 SAFETEA-LU/HPP \$2,400,000 (available 20% per year) and \$1,500,000 (available 20% per year).

Route 56, Maurice River Bridge Replacement	98356	98356

This project will provide for the replacement of the existing structure along the same alignment. The existing structure has one 12-foot travel lane, one three-foot outside shoulder and one six-foot sidewalk in each direction. There will be one 12-foot travel lane and one 10-foot shoulder in each direction. In addition, because of the close proximity of the structure to the Route 55/56 interchange, missing acceleration/deceleration lanes on Route 56 from and to Route 55 will be provided. Guiderail upgrades will be made in the immediate vicinity of the structure and will extend along the Route 55 southbound ramp to Route 56 westbound, as well as the Route 56 eastbound to Route 55 southbound ramp. This project will be designed to be bicycle/pedestrian compatible via use of the shoulder.
